Report of Audit

1350 South 1st St.
Louisville, Ky.
July 13, 1973

To the Treasurer of
Kentucky High School Athletic Association
Lexington, Kentucky
Dear Sir:

Pursuant to instructions received, we have made an audit of the books and records of the KENTUCKY HIGH SCHOOL ATHLETIC ASSOCIATION for the period of one year beginning July 1, 1972 and ending June 30, 1973. In addition, we have prepared and attached hereto statements of the Receipts and Disbursements and Assets which, in our opinion, reflect the true financial condition of the Association as of June 30, 1973.

The cash fund and savings certificates on hand were found to be correct and verified by generally accepted auditing procedures.

We find the records presented to us for the purpose of audit to be in agreement and in good condition.

Respectfully submitted,
HUET L. JOHNSON
Certified Public Accountant

Football Clinics

The 1973 clinics for football officials are being conducted by Assistant Commissioner Billy V. Wise. Dates and sites of the clinics are as follows:

August 7, Bell County High School, Pineville, 7:30 p.m.; August 8, Hazard High School, Hazard, 7:30 p.m.; August 9, Prestonsburg High School, Prestonsburg, 7:30 p.m.; August 10, U. K. Community College, Ashland, 7:30 p.m.; August 13, Daviess County High School, Owensboro, 7:30 p.m.; August 14, Tilghman Area Vocational School, Paducah, 7:30 p.m.; August 15, Mayfield High School, Mayfield, 7:30 p.m.; August 16, Hopkinsville High School, Hopkinsville, 7:30 p.m.; August 20, Reservoir Hill Recreation Center, Bowling Green, 7:30 p.m.; August 21, Stouffer's Inn, Ballroom, Louisville, 7:30 p.m.; August 22, Ludlow High School, Ludlow, 7:30 p.m.; August 23, Henry Clay High School, Lexington, 7:30 p.m.

Attention, Principals!

Each principal and superintendent will be supplied during the forthcoming school year with a card which will say: "Kentucky High School Athletic Association. This will introduce (name of principal or superintendent), (name of school)." The card will be signed by the Commissioner. Most administrators of Association member schools admit to their home contests fellow administrators as a matter of school policy. However, many times these visitors hesitate to identify themselves to the ticket takers. The card mentioned will assist in this identification.

The identification cards are not to be considered as regular season passes to home games of member schools of the K.H.S.A.A. The determining factor in the cards being accepted as passes is the policy of the individual school.

The identification card may be used for admission to all events at the state level except the State Basketball Tournament. A different plan for issuing these passes, along with passes to the district and regional basketball tournaments, is provided in basketball tournament regulations.

Football Examination

Part II of the National Federation Football Examination for officials will be given in Kentucky on Monday, September 17. An official who has been registered for at least one year prior to the current season is eligible to take the examination and work for a higher rating. Officials who hold the Approved rating in football are required to make a minimum percentage grade of 80 in

order to maintain this rating from year to year. After an official has received the Certified rating, he continues to receive this rating each year provided he registers and attends the clinic for that year.

Minutes Of Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at the K.H.S.A.A. office, Lexington, on Wednesday morning, June 6, 1973. The meeting was called to order at 9:30, by President Richard Vincent, with all Board members, Commissioner Mansfield, Assistant Commissioners Tom Mills, Louis Stout and Billy V. Wise present. The invocation was given by J. C. Cantrell.

W. P. Wheeler moved, seconded by Bill Doan, that the reading of the minutes of the April 12th meeting be waived since members of the Board had received copies of these minutes. The motion was carried unanimously.

Roy Winchester, Chairman of the Policy Committee, was called upon to present his report. Mr. Winchester stated that the Committee recommended that the salaries of the Commissioner, Assistant Commissioners and secretaries be increased by approximately 5% for 1973-74. Bill Doan moved, seconded by Arthur Hawkins, that the recommendation of the Policy Committee be adopted. All members voted aye.

Commissioner Mansfield reported for the Retirement Committee that a letter had been written to Mr. Ted Crothwait, Executive Secretary of the Teacher Retirement System, requesting that the Administrative staff of the Kentucky High School Athletic Association be placed under that system. He stated that Mr. Crothwait responded saying the request would be given careful consideration.

Mr. Mansfield reported the results of a recent survey conducted by the K.H.S.A.A. to determine the number of schools planning to sponsor girls basketball in 1974 or 1975 and whether they would prefer an eight team or a sixteen team tournament. One hundred thirty-four principals stated that their school would sponsor a team in 1974 and 107 stated that they would not. An additional forty-six principals stated that they would sponsor teams in 1975. Seventy-eight principals indicated that they would prefer an 8-team tournament while 115 favored a 16-team tournament.

The Commissioner proposed several changes in tournament and meet regulations as follows:

1. Baseball—increase the number of players who could dress for the state tournament from 17 to 21. The expense allowance would remain the same.
2. Track—(a) eliminate the 50 yard dash for girls and replace it with the one mile run.
(b) girls may compete in a total of four events, three of which may be either running or field events.
(c) boys may enter any events not to exceed four.
(d) both the winner and runner-up in the regional would qualify for the state.

Roy Winchester moved, seconded by Zeb Blankenship, that the tournament and meet changes recommended by the Commissioner be made. The motion was carried unanimously.

At this point the Board received a delegation from the Fayette County School System to dis-

cuss questions they had concerning the districts and regions the Fayette County Schools had been assigned to by the Board of Control in football and basketball. Following a lengthy discussion, President Vincent requested that any suggestions or recommendations the group may have be written down and presented to the Board of Control for consideration at a future time.

W. P. Wheeler moved that the site of the 1973 Class AAA Football finals be held at the Fairgrounds in Louisville and the Class A & AA be held at Eastern Kentucky University, Richmond. Frank Simpson seconded the motion and all members voted aye.

Assistant Commissioner Wise presented several suggestions for discussion on improving the method of assigning officials to the team sports sponsored by the K.H.S.A.A. Mr. Wise was instructed to continue his efforts and to present proposals for Board consideration at a future meeting.

Jack Fultz moved, seconded by Roy Winchester, that all bills of the Association for the period beginning April 1, 1973, and ending May 31, 1973, be allowed. The motion was carried unanimously.

There being no further business the Board adjourned until the next meeting on July 27, 1973.

ATTENTION, ALL KENTUCKY HIGH SCHOOL ATHLETIC DIRECTORS

In 1972 we formed a State Association of High School Athletic Directors. At our initial meeting we stated our purposes for an organization. Following are ten proposals that are now officially Article II of our State Constitution and By-Laws.

1. To develop a more professional image for the Directors' of Athletics throughout our state.
2. To coordinate and constantly up-grade a more wide-spread competitive interscholastic program for both girls and boys.
3. To improve athletic understanding and relationships throughout Kentucky.
4. To develop a closer, more professional, working relationship with the Kentucky High School Athletic Association.
5. To establish and maintain a closer working relationship with related professional groups, i.e., KASSP, KAHPER, KASA, KEA.
6. To improve the educational aspects of interscholastic athletics in the total educational program.
7. To create better unity and communication among all members.
8. To cooperate with the administrative head of the high school in the organization, supervision and administration of the interscholastic athletic program.
9. To recognize that the administrative head of the high school is ultimately responsible in all matters pertaining to interscholastic athletic activities involving his school.
10. To initiate higher standards of professional proficiency and ethics.

The Kentucky High School Athletic Directors' Association will be beginning its second year this September. In the 1972-73 school year we wound up with seventy-seven members. We held two State-Wide meetings. The first meeting was held in August at Lexington during the day of the East-West All Star games. The second meeting was held in Louisville at St. Xavier High School during the K.E.A. meetings. During the Louisville meeting we agreed that we would revise our Constitutions to read that instead of four sections of Kentucky

forming into sub-organizations, we will plan to adhere to the sixteen basketball regions and attempt to form sixteen sub-units. This will be one of our goals for the 1973-74 school year to see that each region has an organization.

Another goal for the 1973-74 school year is to increase our membership to at least three hundred (300) members. To do this an old member must re-join and get at least two (2) new Athletic Directors to join. This organization can do nothing but help us as Athletic Directors, and can be invaluable to school systems throughout our state.

If you have not yet joined the K.H.S.A.D.A., for the 1973-74 school year, please send a \$5.00 check to:

Minutes of Board Meeting

July 27, 1973

The Board of Control of the Kentucky High School Athletic Association met at Kenlake State Park, Aurora, Kentucky, on Friday morning, July 27, 1973. The meeting was called to order by President Richard Vincent at 9:30 A.M. Present were Board members J. C. Cantrell, William C. Doan, Arthur Hawkins, W. P. Wheeler, Zeb Blankenship, Andrew J. Fultz, Louie Martin, Frank Simpson, Roy Winchester; new Board members Howard R. Crittenden and James R. Williams; Commissioner J. B. Mansfield and Assistant Commissioners Tom Mills, Louis Stout and Billy V. Wise. The invocation was given by J. C. Cantrell.

Roy Winchester moved, seconded by William C. Doan, that the reading of the minutes of the June 6th meeting be waived, since members of the Board had received copies of the minutes. The motion carried unanimously.

At this point, President Vincent welcomed Mr. Andy Hopkins, Athletic Director for the Fayette County Schools, and Coach Bobby Barlow of Bryan Station High School, Lexington, to speak on behalf of a proposal which they had submitted on the realignment of the football and basketball districts and regions of the state. Following their presentation and a lengthy discussion, President Vincent thanked Mr. Hopkins and Coach Barlow for coming before the Board and they departed. After further discussion on the matter by the Board, Commissioner Mansfield was instructed to inform Mr. Hopkins that a committee would be formed by the Board to study the present program for possible changes which may be submitted to the member schools for consideration.

President Vincent welcomed Howard R. Crittenden and James R. Williams as new members of the Board, and called for the election of Board officers for 1973-74. Arthur Hawkins moved, seconded by William C. Doan, that Frank B. Simpson and W. P. Wheeler be elected respectively President and Vice-President of the Board of Control by acclamation. The motion was carried unanimously.

Before turning the chair over to President Simpson, Mr. Vincent spoke briefly on the highlights of his four years as a member of the Board, expressed his pleasure at being able to serve the Association and pledged his future support for its continued success.

BOARD MINUTES

(Continued from Page Five)

President Simpson presented his report on the National Federation Annual meeting recently held in Minnesota.

The Commissioner made a report on Association receipts and disbursements during the 1972-73 year. Copies of the audit recently prepared by Huet L. Johnson, Certified Public Accountant, were given to each member of the Board. Andrew Fultz moved, seconded by William C. Doan, that the audit report of the Commissioner be accepted. The motion was carried unanimously.

The Commissioner presented copies of the proposed 1973-74 budget to the Board for their approval. Roy Winchester moved, seconded by Andrew Fultz, that the 1973-74 budget as presented by the Commissioner be approved. All members voted aye.

President Simpson appointed the following committees:

Policy Committee: Chairman Roy Winchester, W. P. Wheeler, Frank Simpson, Jack Fultz.

Trophy Committee: Chairman Arthur Hawkins, Jim Williams, Tom Mills.

Retirement Committee: Chairman J. C. Cantrell, Howard Crittenden, Louie Martin.

The Commissioner presented a report on the insurance program which the K.H.S.A.A. has with The Kingden Company. The 1972-73 year began with a reserve cash balance of \$23,647.31. The Kingden Company paid out a total of \$11,112.75, leaving a balance of \$12,535.06. The K.H.S.A.A. paid premiums during the year totaling \$8,500.00, thereby leaving a reserve cash balance of \$20,535.06 to begin the 1973-74 year. J. C. Cantrell moved that the Commissioner's report be accepted and that the K.H.S.A.A. continue to carry this in-

surance program. Arthur Hawkins seconded the motion and all members voted aye.

Following the Commissioner's report on the results of a recent poll taken to determine the number of schools planning to sponsor girls basketball, J. C. Cantrell moved, seconded by Howard R. Crittenden, that the K.H.S.A.A. sponsor a Girls State Basketball Tournament beginning with the 1974-75 school year. The motion passed unanimously. The Commissioner was instructed to notify the Superintendents and Principals of member schools of this decision as soon as possible.

J. C. Cantrell presented the case of Bruce Gilbert, a student at Marion C. Moore High School, who is ineligible following his transfer from Thomas Jefferson High School because there had not been a corresponding change in the residence of his parents. Based upon information presented by Mr. Cantrell, after considering the circumstances, and that Bruce was directed to transfer by the Board of Education, Roy Winchester moved, seconded by Louie Martin, that the Board declare Bruce Gilbert eligible to participate in sports at Marion C. Moore High School beginning with the 1973-74 school year. The motion passed unanimously.

Board member, William C. Doan, submitted his resignation as a member of the K.H.S.A.A. Board of Control, effective August 15, 1973, inasmuch as he would not be a member school principal, he would not be eligible to complete his term. Mr. Mansfield was instructed to initiate the proper proceedings to fill this vacancy on the Board.

Roy Winchester moved, seconded by Arthur Hawkins, that all bills of the Association for the period beginning June 1, 1973, and ending June 30, 1973, be allowed. The motion was carried unanimously.

The next meeting date for the Board was scheduled for 10:30 A.M., Saturday, October 13, 1973. There being no further business, the meeting adjourned at 1:35 P.M.

CAN ATHLETIC INJURIES AND COST OF ATHLETIC INSURANCE BE REDUCED?

HERE ARE SOME SUGGESTIONS THAT WILL HELP:

1. Secure a team physician. Your local Medical Society can advise on this.
2. Require players to be physically fit and well conditioned before engaging in contact.
3. Do not allow a player with an injury to participate until he has medical approval to do so.
4. Make sure equipment is adequate, in good condition, and that it is properly worn.
5. Consider carefully the length of practice sessions. The latter part of lengthy sessions produces the most injuries.
6. Require injuries to be reported to you promptly and refer those needing attention to the physician at once.
7. Get your players interested in injury prevention and fitness. Any player is more valuable without casts and crutches.
8. Our Cooperative Football Plan and Student Insurance provide excellent coverage, service and economy.

FILMS

The films listed below are in the Film Library of the University of Kentucky College of Education. The code letters "e, j, s, c, a" refer to elementary, junior high, senior high, college and adult audiences who may enjoy the particular film listed. The rental prices shown do not apply to schools which use one of the special subscription service plans offered by the Bureau of Audio-Visual Material.

Football

BALL HANDLING IN FOOTBALL, j-s-c-a, 1 reel \$2.00.

Fundamentals of ball handling are stressed; stance, grip, "feel" of the ball, fingertip control adjustment before throwing or kicking, receiving passes from center or from a back, catching passes and punts, ways of carrying ball, and changing from one hand to another. Game shots are presented, using slow motion and stop action techniques, and superimposed animation to illustrate principles.

BLOCKING IN FOOTBALL, j-s-c, 1 reel, \$2.00.

Fundamentals of good blocking are taught in this film; position, speed, drive, follow-through, timing, and body control. Describes shoulder and body blocks, demonstrating several varieties of these. Importance of good physical condition, practice, and experience are emphasized. Special photography used to illustrate different points.

FOOTBALL BY THE RULES, e-j-s-c-a, 3 reels (30 min.), color, \$1.00.

The film will give to the viewer a better understanding and a keener appreciation of football. Modern photography presents many play situations that portray the guidelines used by officials in making judgment decisions so necessary in this sport.

K.H.S.A.A. Board of Control Officers — 1973-74

Frank B. Simpson
President

W. P. Wheeler
Vice-President

Frank B. Simpson, Jefferson County Assistant Superintendent for General Administration Services, was elected President of the Board of Control at the summer meeting of the directors, held on July 27, 1973. W. P. Wheeler, principal of the Daviess County High School, Owensboro, was named Board Vice-President.

Frank B. Simpson graduated from Kentucky State College in 1942. He received his M.A. degree from the University of Kentucky in 1956. He was a high school principal for twenty-one years, twelve years of which were spent at the Todd County High School where he was basketball and track coach. He was principal of the Hopkinsville Attucks High School during the 1958-67 period being appointed to his present position with the Jefferson County Board of Education on July 1, 1967.

While in Western Kentucky Mr. Simpson served as Vice-President of the East-41 Basketball League, President of the Third District Teachers Association, and President of the Second District Principals Association. He served twelve years on the Executive Committee of Kentucky State College Alumni Association. He served three years on the Governor's Commission on Higher Education. He was on the Regional Mental Health Board of Hopkinsville for five years, and has been a steward in the Christian Methodist Episcopal Church for twenty-seven years. A former Kentucky State College athlete, Mr. Simpson played three sports in high school, basketball, football and track.

W. P. Wheeler was born in McLean County. He is a graduate of the Calhoun High School. He received his B.S. degree from Western Kentucky State Teachers College in 1949. He received his M.A. degree from this institution in 1954. He has done post-graduate work at both Peabody and Indiana University.

In 1949 Mr. Wheeler started his coaching career at the Utica High School, later becoming principal of the school. In 1959 he became principal of the Daviess County High School. He did his military service in the 13th and 82nd Airborne Division (Paratrooper).

In 1962 Mr. Wheeler was selected "Outstanding Young Man of the Year" for Owensboro and Daviess County by the Owensboro Jaycees. He is active in church and civic work, serves on the Board of Directors of Junior Achievement, and sponsors a "Hunting and Fishing" club at his school.

CASE BOOK:

Play 38: The last sentence should read: "It will be 1st and 5 for A from its 15 yardline."

Play 115B: The last sentence should read: "In this case the basic spot of enforcement is behind the spot of the foul and therefore A will be penalized 15 yards from the **basic** spot."

Play 115C: Ruling to read: "The failure of A2 to properly wear his mouth and tooth protector is a foul during a loose ball **play** and will be administered from the previous spot."

Play 302G: Last sentence of ruling should read: "It would be 1st and 10 for R following administration of the penalty for the foul by **R2**."

RULES ILLUSTRATED AND SIMPLIFIED:

Page 5T: Change the caption to read: "Each team may choose a ball with a different cover at the beginning of the game for those downs in which it snaps or kicks."

Page 51T: Cross out "RECOVERS FUMBLE" and change the caption to read: "When a player who is out-of-bounds contacts the ball which is in the field of play he causes the ball to be out-of-bounds."

Page 89B: Cross out "DEFENSIVE PASS INTERFERENCE" and re-write the caption as follows: "Even though the pass is intended for number 75, the contact by the defensive man is not pass interference because number 75 is an ineligible receiver. However, any foul by the defensive man (holding, clipping, tripping) causes the situation to become a double foul and the down will be replayed."

Play Situations

1. **Play:** During his inspection of the field, the referee notices the intersections of the sidelines with the endlines and the inbounds lines extended and the endlines are marked with 4-inch diameter circular cones which are 21 inches in length.

New Film — Basketball Today

BASKETBALL TODAY opens with a comical reenactment of the original version of the game and shows how refinement of the rules led to the exciting game we see today. Modern photographic techniques enhance the teaching of this film, illustrating and defining person contact, screening principles, goal tending and basketball interference, the various types of fouls, time limitations and some special emphasis on proper officiating mechanics.

Two prints of the film have been secured by the K.H.S.A.A. Member schools may secure the film by writing the Film Library, College of Education, University of Kentucky. At least two dates on which you can use the film should be given due to the heavy demand for the film at the start of the season.

Basketball Clinics

The 1973-74 required rules meetings for basketball officials and coaches will be conducted by Assistant Commissioner Billy V. Wise. Players and other members of the school's coaching staff are invited to attend the clinics. Basketball coaches are urged to bring their scorers and timers to the meetings. The dates and sites of the meetings are as follows:

Attention Officials!

The attention of all registered K.H.S.A.A. football, basketball and baseball officials is called to By-Law 28, Section 9, which provides that the official shall be supplied with an emblem which he shall wear on his sleeve or sweater. The emblem is to be worn on the left shoulder shirt sleeve approximately one and one-half inches below the shoulder seam. The Approved or Certified bar should be worn below the emblem. Failure to wear the emblem will make an official liable for suspension from the Officials' Division of the Association.

Recommended uniforms are as follows:

Football—black and white striped shirt (long or short sleeves), black baseball cap with white piping, white knee pants, black belt, black stockings, black shoes and laces;

Basketball—black and white striped shirt (short sleeves, long sleeves by special permission), black trousers, black belt, black shoes and laces;

Baseball—navy blue or black trousers, black athletic leather shoes (not football shoes), navy blue coat or jacket, navy blue shirt if working coatless, white shirt if wearing coat or jacket, white shirt on bases if all base umpires are dressed the same, umpire's navy cap (no player caps), indicator and mask of choice, inner protector or inflated protector (inflate type if official desires to purchase), black belt, black shoe laces, black tie with white shirt.

Football Questions

(Continued from Page One)

Ruling: The described equipment does not meet rule specifications and therefore is illegal. These important intersections are to be marked with 18-inch square flags mounted on a flexible staff or 4-inch square pylons which are 18 to 24 inches in height. Beginning with the 1975 season, the pylons will be limited to 18 inches in height, but must be square. In any case, the pylons must be made of a soft, flexible material which will not cause injury.

2. Play: During a scrimmage-kick, R1 makes a valid fair catch signal. The ball strikes K1 while in flight and: (a) R1 catches the kick and advances; or (b) R1 muffs the kick and it is recovered by K2.

Ruling: It is fair catch interference in both (a) and (b). In (a) the advance by R1 is legal because the interference by K1 negated the fair catch. In (a) team R has three options: (1) to take the result of the play, which would be the advance by R1; or (2) to accept an awarded fair catch at the spot of the foul; or (3) accept the distance penalty of 15 yards administered from the previous spot. In (b) team R has the same three options, but the result of the play would give K the ball where it was recovered by K2. Because of this, it is obvious the captain of R would choose either an awarded fair catch at the spot of the foul or the distance penalty administered from the previous spot in (b).

3. Play: During a pass-run option, quarterback A1 is beyond B's scrimmage-line when he throws a forward pass intended for A2. While the ball is in flight, an official inadvertently sounds his whistle.

Ruling: Because this is an illegal pass there will be no replay of the down due to the inadvertent whistle. B will be given the option of accepting the penalty for an illegal pass which is 5 yards from the spot of the foul with the down being counted, or accepting the result of the play which would permit A to put the ball in play from the spot of the illegal pass.

4. Play: While a forward pass is in flight beyond the line, an official inadvertently sounds his whistle and thereafter B1 deliberately charges into A1 for whom the pass was intended. **Ruling:** The down will be replayed because of the inadvertent whistle which was sounded while the pass was in flight. Because the unsportsmanlike foul by B occurred after the whistle, it was a dead ball foul and the penalty will be administered from the succeeding spot. Under ordinary circumstances, this contact would constitute pass interference but because the whistle killed the ball, it was contact after the ball was dead. The official will have to use careful judgment in determining when the foul occurred.

5. Play: A scrimmage-kick by K1 from R's 35 yardline is bounding inside R's 5 yardline. K2, in attempting to prevent a touchback, bats the ball and: (a) it goes into R's end zone; or (b) it goes out-of-bounds at R's 2 yardline; or (c) it is recovered by R1 and advanced to R's 25 yardline.

Ruling: The batting by K2 is an illegal act which occurs during a loose ball play. If the penalty were accepted, it would be administered from the previous spot and the down replayed. This is also first touching by K2. The offended team is always privileged to take the result of the play rather than the penalty. In (a) it is a touchback and R would put the ball in play from its 20. In (b) the ball would be put in play by R from its 2 and in (c) it would be a new series for R from its 3. The advance by R1 in (d) is legal and would result in 1st and 10 for R from its 25.

6. Play: During a forward pass play, eligible receivers A1 and A2 run crossing patterns and A1 comes to a complete stop as A2 runs past him. In (a) A1 thereafter changes position so that there is some contact with B1, who is covering A2; or (b) B2 pushes A1 out of the way in an attempt to reach the pass intended for A2.

Ruling: In (a) it is offensive pass interference when A1 moves to contact A2. The penalty is administered from the previous spot and the down is counted. In (b) the foul for pass interference is by the defensive team and A will have the option of accepting the result of the play or the penalty for pass interference, which is 15 yards from the previous spot and an automatic first down.

7. Play: Quarterback A1 receives the snap and while behind the line-of-scrimmage, throws a backward pass to A2. During his advance, but while still behind the line, A2 fumbles. While the ball is loose, there is a foul by B1. The fumble is recovered by A.

Ruling: This is a foul during a loose ball play. The penalty, if accepted, would be administered from the basic spot, which is the previous spot. A loose ball play includes the run or runs which

preceded the loose ball. A fumble by A behind his line-of-scrimmage, constitutes a loose ball play.

8. Play: A free-kick by K1 is touched by R1 on his 15 yardline and then it: (a) rolls out-of-bounds at R's 5 yardline; or (b) contacts an official in the field of play and thereafter rolls out-of-bounds at the 5 yardline; or (c) contacts an official who is straddling the sideline at the 5 yardline.

Ruling: The ball will be put in play by R from its 5 yardline in (a), (b) and (c). In (a) R1 was the last to touch the kick before it went out-of-bounds. In (b) the fact that the ball touched an official who is inbounds does not change its status. In fact, this touching is ignored and therefore R1, in effect, was the last to touch the ball before it went out-of-bounds. In (c) when the loose ball touches a game official who is straddling the sideline, this causes it to be out-of-bounds and R1 was the last to touch it.

Newly Elected Board Member

J. Thomas Creamer

J. Thomas Creamer, Principal of Maysville High School, has been elected to membership on the K.H.S.A.A. Board of Control, representing Section 5, to fill out the unexpired term of William C. Doan.

Mr. Creamer is a native of Ludlow, Kentucky, where he graduated from High School in 1959. He attended the University of Kentucky for one year before transferring to Georgetown College where he graduated in 1963 with a major in mathematics and a minor in physical education.

Mr. Creamer began his coaching career at Russell High School in Russell, Kentucky, as Assistant Football and Assistant Basketball Coach from 1963 to 1965. He served as Head Football and Head Basketball Coach at Beechwood High School from 1965 through 1968.

In 1968, Mr. Creamer accepted the Head Basketball coaching position at Maysville High School. He was appointed Assistant Principal in 1970, and when Mr. Robert L. Biddle succeeded Mr. Earl D. Jones as Superintendent of the Maysville City Schools in 1972, Mr. Creamer was named Principal.

Attention, Correction!

In the September issue of the "Athlete", Bishop David High School was incorrectly listed in District I in the Class AAA Football. They should have been in Class AAA, Region I, District 2.

Sports Can Mold Character

Guest Editorial:

NOTE:

The following article is supplied through the courtesy of the President's Council on Physical Fitness and Sports, originally written as a letter and addressed to President Nixon on March 22, 1973.

I recently saw a high school basketball game which brought tears to my eyes, gave me a bigger thrill than I've had in years and reinforced my belief that participation in sports can be a great influence on molding the character of our youth.

I would like to tell you about that game . . . not only because I am certain you will be interested in hearing the story of its ending, but also because I am greatly disturbed by the growing trend in this country to dismiss the redeeming assets of athletics, with its stress on individual and team achievements, pride in oneself and the team or group to which one belongs, and the hard-to-define feeling of caring for others who share with you the ecstasy and agony of victory and defeat.

The game was played in a small town in California, which has a high school basketball team that is young and inexperienced . . . yet enthusiastic . . . and, but for its height in the front court, had been written off as a contender by the local paper, by the community and judging by the attendance at the games by the student body and faculty as well. They have a mediocre pre-season record, but that doesn't matter. What does matter is that the boys on the team, with the guidance of their fine coach and their own concept of the true riches of life, have discovered at a very early age that there is an inner satisfaction derived from sharing with others . . . in this case, sharing the joy of a two-point basket.

These boys, at the beginning of the season, voted to accept as a member of their team a mentally handicapped classmate, who was given a team uniform and numeral. He worked out daily at practice and was fairly good at shooting baskets, but was unable to remember all the plays or remember where he was supposed to position himself on the court. He tried his best to succeed and they admired him for his efforts. They gave him encouragement on and off the field and always arranged rides for him to team meetings and games. He seldom played in any games, yet always participated in the warm-up drills, joined the handclaps at the huddle and rooted loudly for his team from the bench.

The other night, their team had a commanding lead in the game and with 52 seconds left to play he was sent in as a substitute. There was only one hope in the minds of those who were aware of his presence in the line-up . . . that he would score. With four seconds to go, there was a jump-ball called . . . the entire bench and all the fans were on their feet . . . the boys were yelling at him, telling him where to stand and what to do.

Attention, Principals and Basketball Coaches!

K.H.S.A.A. By-Law 27, Section 5, "Practice Games," states in part that prior to the opening game of regular season play, a basketball team may have only two practice games and/or "preview" with players other than members of the squad. The following interpretations are being given in an effort to prevent possible violations:

(1) Each school will be limited to two regardless of the number of teams. There can be only two including all levels of play.

(2) A scrimmage will be counted if one or more boys from different schools engage one another in any way.

(3) Any scrimmage must be completed in one session of no more than three hours.

(4) No admission may be charged to a scrimmage, only to a "preview."

(5) A scrimmage can not be held under game conditions, time or score can not be kept, coaches must be on the floor and coach at intervals.

(6) Each team may engage only one other team in a "preview."

This regulation, the same as all others, has been written by you into the rules of your Association. It is the duty and responsibility of the coach, athletic director and principal, to see to it that your school abides by these regulations. There can be little gained if a coach teaches and allows his players to break rules to which he has agreed to abide.

Sports Can Mold Character

(Continued from Page One)

The ball was tipped to a teammate, who quickly and deliberately passed it to him and from 25 feet out he sank the best swisher I've ever seen just before the bell sounded ending the game.

With that, the entire team erupted onto the court, throwing towels in the air, screaming, and yelling. They engulfed him, slapped him on the back and carried him off the floor on their shoulders to the locker room.

The few fans in the stands stood cheering and clapping for several minutes.

That was when I started crying. I wept not only because the boy had scored the only two points of his varsity career, but also because I'd seen it . . . a beautiful thing happen. I regret I had no camera to record the event, but I will never forget it . . . nor will I be swayed from my belief, which was reinforced that night . . . that there is a goodness in all of us which, if properly directed, can have a beneficial effect on our lives and the lives of our associates. I also believe that participation in sports can provide that guidance.

I concede that there is much more in life than sports and that it should not be the all-consuming passion in American society. I concede that there is much beyond it in the fields of music, literature, art, science, and social awareness. However, I would argue vehemently with anyone who would deny its worthwhile qualities or discourage its continuance in the school system.

I have never felt more strongly about the merits of sports than I did that night, when I wept as a young man of limited intellectual capacity felt the glow of receiving an ovation, and his teammates the excitement of sharing happiness with another human being.

My son is a member of that team . . . he is the varsity captain. He didn't play his best game that night and was discouraged with what he felt was a bad performance. I tried to cheer him up with little success. Then I told him that 20 years from now he probably won't remember the name of the school they played against, the final score or how many points he scored . . . but he'll always remember how he felt when the last shot of the game went sailing through the air and into the hoop, and though he won't admit it now, the tears he choked back. Then I left him alone to contemplate my words and the impact of the evening upon him as an individual.

Do organized sports always live up to their potential in building character in our young people? Of course not . . . but they should. Whether we are athletic directors, parents, educators, politicians, little-league coaches or concerned citizens, our goal should be to utilize that potential and capitalize on the lessons it can teach about life to the youth of this country.

The intent of my letter is twofold.

First, to relate a story that I think is very inspirational.

Second, to call attention to the threatened demise of the athletic program in our school system unless those who wisely support its continuance make their views widely known and negate the power of its most vocal critics.

I hope it will prompt you to reflect on what you, as an individual, can do to positively influence the structure of athletic programs within your own community.

It's the Principal That Counts . . .

There was a mother who was having a hard time getting her son to go to school one morning. "Nobody likes me at school," said the son. "The teachers don't and the kids don't. The superintendent wants to transfer me, the bus drivers hate me, the school board wants me to drop out, and the custodians have it in for me. I don't want to go."

"You've got to go," insisted the mother. "You're healthy. You have a lot to learn. You've got something to offer others. You are a leader. Besides, you're 49 years old. You're the principal, and you've got to go to school."

Requirements for Registration Girls' Basketball Officials

Interscholastic contests between member schools will be played according to the rules of the Division of Girls' and Women's Sports as stipulated in the K.H.S.A.A. By-Laws. According to DGWS regulations all officials must be registered with their group and all applicants must pass a test to qualify for registration the first year. Officials will not be required to take the test to re-register each year. The method of obtaining higher ratings will be explained at some future time.

The \$6.00 fee will cover the cost of registration with the DGWS as well as the K.H.S.A.A. If you want to register accordingly, will you send the name of a school administrator that would be willing to give you the test. The test will be furnished by DGWS through this office. Materials will be sent for you to study. Officials who have been or are currently registered with the DGWS as an official will not be required to take the test on proof of such registration.

If you do not wish to register because of the test, please advise and your fee will be returned.

Registered Girls' Basketball Officials

We would like to call your attention to the fact that this is the first year the K.H.S.A.A. is registering officials for girls' basketball. A separate registration is required to officiate girls' and boys' games. The \$6.00 fee includes registration with the Division of Girls' and Women Sports and also the K.H.S.A.A. All officials not previously registered with the DGWS will be required to take the test to register for the first time. Anyone desiring to register should contact the K.H.S.A.A. office.

1973 Football Early Season Questions

(Continued from September ATHLETE)

9. **Play:** When quarterback A1 comes to the line of scrimmage, it is noted that he is not wearing the required mouthpiece. He sets his team and begins calling signals, but before the ball is snapped, the umpire sounds his whistle to prevent the ball from becoming alive.

Ruling: The covering official is authorized to prevent the ball from becoming alive when he observes a player is improperly equipped and it is imminent that the ball will become alive. He may take the prerogative of preventing the ball from becoming alive and penalize for failure to wear player equipment as a dead ball foul from the succeeding spot.

Comment: This interpretation is made in the interest of player safety. It is granted, the absence of required player equipment does not technically become a foul until the ball is alive. However, in this situation, the penalty may be assessed during the dead ball period, because the player is, in truth, not ready to participate. An official must use judgment in making this determination. If he believes there is a possibility the player may be able to comply before the ball becomes alive, he can permit the ball to become alive. If the ball is snapped and player is not properly wearing required equipment, the foul occurs simultaneously with the snap and the basic spot is the previous spot. It is not anticipated this situation will occur frequently.

10. **Play:** Prior to a game, the home management provides the referee with a leather football which has 12 cross laces and which has: (a) solid and continuous 1-inch stripes 3 to 3½ inches from each end; or (b) solid and continuous stripes completely around the ball excepting for a space 1 inch away and directly over the last cross laces on each end.

Ruling: The ball in (a) is legal and may be used by both teams if the visiting team agrees to its use. The visiting team may elect to use a leather ball with the more traditional 8 cross laces or a ball of a different covering during the downs in which it snaps or kicks. In (b) the described ball does not meet rules specifications and therefore may not be used. The stripe must be solid and continuous.

11. **Play:** During the last timed down of the game team A scores a touchdown making the score 12-12. During the try, A1 is offside and the place-kick goes through the uprights above the crossbar.

Ruling: This is a foul during the try and team B will have the option of accepting the result of the play or accepting the penalty with the down replayed following measurement. The succeeding try by A would be from B's 8 yardline. Because the try is an untimed down, the game may be extended by another untimed down which would have been necessitated by the foul.

12. **Play:** A kick-off by K1 is muffed by R1 at the 15 yardline. In attempting to recover, K2: (a) muffs the kick so that it goes out-of-bounds at R's 15; or (b) bats the ball out-of-bounds on R's 10.

Ruling: In (a) R may put the ball in play 10 yards behind its free kick line which ordinarily is the 40. In (b) if the penalty for the illegal bat by K2 were accepted, it will be administered from the previous spot, since this is a loose ball foul. In this situation, K would re-kick from its 25 yardline. If the penalty for the illegal bat by K2 were

accepted, it will be administered from the previous spot, since this is a loose ball foul. In this situation, K would re-kick from its 25 yardline. If the penalty for the illegal bat were declined, R would be privileged to put the ball in play 10 yards behind its free-kick line at the 40.

13. **Play:** During a forward pass play in which the ball crosses the line-of-scrimmage, an ineligible receiver is illegally downfield and: (a) B1 illegally contacts him with an elbow; or (b) A1 blocks B1.

Ruling: In (a) the foul by A1 and B1 combine to make a double foul and the down will be replayed. In (b) it is a multiple foul for an ineligible illegally downfield and offensive pass interference. Team B will undoubtedly accept the penalty for the offensive interference.

Comment: Even though the pass may have been intended for A1, the contact by B1 is not defensive pass interference because A1 was an ineligible receiver. Defensive pass interference may occur only against eligible receivers. Had there been no contact and ineligible A1 had received such a pass, the result would have been offensive interference.

14. **Play:** During a kick-off to start the second half, K2 recovers the bounding free-kick before it crosses R's free-kick line and before being touched by R.

Ruling: This is first touching by K2 and the clock will not be started. R will put the ball in play from the spot of recovery and the clock will start with the snap.

15. **Play:** Following a change of team possession, team B has 12 players on the field when the ball is snapped. During the play, A1 is downed for a 5-yard loss.

Ruling: This foul for illegal substitution by B occurred simultaneously with the snap. The penalty for the foul would be from the previous spot and will result in 1st and 5 for A.

16. **Play:** During a scrimmage play, B1 charges through the offensive line and is blocked from: (a) behind in the free-blocking zone by A6, who was adjacent to the center at the snap; or (b) the side below the waist by running back A4 who was not in the free-blocking zone and the direction of the block is away from the spot from which the ball was snapped; or (c) behind, while 2½ yards behind the line, by A5, who was not in the free-blocking zone at the snap.

Ruling: Legal blocks in (a) and (b). In (a) the contact must have been made within the free-blocking zone. In (c) it is clipping.

17. **Play:** Interior linemen A1 and A2 who were in the free-blocking zone at the time of the snap, pull out to act as interference during a screen pass. After the pass is caught behind the line, A1 and A2 block opponents below the waist in the 6-yard belt so that the blocks are toward the spot from which the snap was made.

Ruling: The blocks by A1 and A2 are legal because both players were in the free-blocking zone at the time of the snap. The free-blocking zone disintegrates following the initial charges or when the pattern of play changes, but the 6-yard belt remains in effect throughout the down or until the ball is advanced beyond it. The players who were in the free-blocking zone at the snap are privileged to legally block opponents below the waist in the 6-yard belt regardless of the direction of the block.

18. **Play:** With 3rd and 8 from B's 40, A1 is downed on A's 45, where he crawls. During the play B1 held at the line-of-scrimmage.

Ruling: The penalty for holding by B1 will be administered from B's 40. This will result in a new series for A at B's 25. From there, the penalty for the dead ball foul of crawling by A1 will be administered resulting in 1st and 15 for A from B's 30.

19. **Play:** During a running play which was the last timed down of the second quarter, A1 is tackled and B1 contacts A2 after the ball is dead. The covering official does not judge the contact to be unsportsmanlike.

Ruling: If the act is not deemed to be unsportsmanlike, there will be no penalty. Only unsportsmanlike fouls by either team following the last down of the first half will be penalized prior to the second half kick-off.

20. **Play:** R1 signals for a fair catch and catches the scrimmage-kick at K's 40. With the score tied near the end of the 4th quarter, the captain of R decides to put the ball in play by a snap. A1 throws a legal forward pass intended for A2. B1 interferes with A2 and the pass falls incomplete. Following administration of the penalty, the captain of R requests to put the ball in play by a free-kick from K's 25 as a field-goal attempt.

Ruling: The ball may be put in play either by a free-kick or a snap for the replayed down.

CORRECTIONS:

RULE BOOK:

RULES ILLUSTRATED AND SIMPLIFIED:

Page 46T: Caption should read: "Even though the whistle were sounded inadvertently during this pass, the down will not be replayed. The ball is dead immediately and the illegal pass incomplete."

21. **Play:** R1 makes a valid fair catch signal and catches the scrimmage-kick at K's 35. The captain of R chooses to put the ball in play by a free-kick as an attempted field-goal. R2 is beyond R's free-kick line before the ball is kicked. The kick attempt appears to be unsuccessful. K accepts the penalty and the captain of R then indicates his team will put the ball in play following measurement by a snap from K's 40.

Ruling: This is legal. R will have the same options when the penalty is accepted for a foul occurring during the down following the fair catch for the replayed down as it was entitled to originally.

22. **Play:** During a run by A1 from his 40 it is noticed that B1, at the 50, is not wearing a mouth and tooth protector. A1 is downed on B's 40.

Ruling: The failure of B1 to wear a mouth and tooth protector occurred during a running play and will be penalized in accordance with the all-but-one principle. The spot of the foul is the 50. The penalty will be administered from the end of the run or the basic spot because the foul was by B.

23. **Play:** The ball is snapped from the 50 yardline and A1 advances across B's goal line. While A1 is in the clear, A2 takes his helmet off at B's 40 yardline and throws it into the air about the time A1 is crossing B's 10 yardline.

Ruling: If the penalty were accepted, there is no touchdown. The penalty for the foul by A1 is administered from B's 40 because the spot of the foul is behind the basic spot. The down will be replayed from A's 45.

24. **Play:** From A's 35, A1 advances to B's 40 and during the run: (a) A1 removes his mouthpiece on A's 30; or (b) B1 was detected with his chin-strap snapped at B's 35; or (c) A2 was not properly wearing his mouthpiece at the time the ball was snapped.

Ruling: In (a) if the penalty were accepted, administration would be from the spot of the foul, that is, A's 30 yardline and the ball next put in play from A's 15 yardline. In (b) if the penalty were accepted the ball will be put in play by A from B's 20 yardline. Because the foul in (c) occurred simultaneously with the snap, the penalty, if accepted, will be administered from the previous spot and the ball next put in play by A from its 20 yardline.

25. **Play:** Just prior to the snap A1 notices that his team has 12 players on the field and he leaves the field across B's sideline.

Ruling: This is a type of illegal substitution. The foul occurred when A1 crossed B's sideline, therefore, in this case, a dead ball foul. The penalty will be administered from the succeeding spot.

26. **Play:** During a running play to the left, A1, who was on the right side of the line, crosses through the free-blocking zone and blocks B1 from the side and away from the spot of the snap, below the waist, in leading interference for a delayed play to the left side.

Ruling: Legal block by A1 since the direction of the block was away from the snap.

27. **Play:** During a counter play, A1, who was in the free blocking zone at the snap, takes two steps behind the neutral zone and then turns back to block within one yard behind A's line-of-scrimmage and contact is made with B1 from behind and below the waist.

Ruling: Legal block by A1 since the free-blocking zone has not disintegrated in this instance.

28. **Play:** Prior to the snap, snapper A1 adjusts the ball so that: (a) its long axis is in a nearly vertical position; or (b) its long axis is parallel to the line-of-scrimmage. He then pauses momentarily and snaps.

Ruling: This is an illegal snap in both (a) and (b). It is a snap infraction whenever the ball is tilted to more than 45 degrees or whenever the long axis is not perpendicular to the line-of-scrimmage. A snap infraction is a foul between downs and the official should immediately sound his whistle and cause the ball to remain dead. The penalty is 5 yards.

29. **Play:** After the snapper has adjusted the ball and paused momentarily, he then moves or lifts it without completing the snap. At the movement, B1 charges and causes a loose ball which is recovered by B2. Is this a snap and does the ball become alive?

Ruling: The ball became alive as soon as it was moved by the snapper. Even though it is not a legal snap, B may choose to decline the penalty and retain possession.

Comment: Whenever an official observes the snap infraction, he should sound his whistle to prevent the ball from becoming alive. As a dead ball foul, the penalty will be administered from the succeeding spot. There are some snap infractions in which the ball becomes alive because it is lifted in other than a legal snap. In these situations, the official will not have an opportunity to prevent the ball from becoming alive because the illegal action by the snapper could not be anticipated. Because the ball becomes alive and play has started in these types of snap infractions, the whistle should not be sounded to stop play. While there are some unusual situations which can develop in these rare occurrences, officials will let the play continue once it has started. The spot of the foul for a snap infraction is the previous spot.

30. Play: Quarterback A1 forward passes complete to ineligible A2 behind the line, who then throws a forward pass which crosses the line and is: (a) complete to A7; or (b) intercepted by B1.

Ruling: The pass from A1 is an illegal pass. In (a) B will undoubtedly accept the penalty which is 5 yards from the spot of the pass because the down will be counted. In (b) B would probably decline the penalty in order to retain possession.

31. Play: Quarterback A1 receives the snap and starts to fade back, but hands the ball forward behind the line to interior lineman A2, who has turned to face his own goal and is at least 1 yard behind the line. A2 then throws a forward pass complete to end A7, who advances across B's goal line.

Ruling: Touchdown for A. The handling of the ball by A1 is legal. After having received the ball in this manner, A2 may legally throw a forward pass provided it is from behind the line-of-scrimmage and all ineligible remain in the neutral zone expanded until the pass is in flight.

Comment: The purpose of these two plays is to clearly illustrate conditions under which an interior lineman may legally throw a forward pass. The difference between the two plays calls attention to the limitation which may make the act illegal. A pass from the quarterback to an eligible receiver beyond the line who returns behind the line to throw a second pass which crosses the line is a legal act. It is also legal for an eligible receiver to receive a forward pass behind the line and then throw a legal pass which crosses the line. Of course, in all of these situations, it is understood the ineligible must remain on the line until the last pass is in flight.

32. Play: During a scrimmage-kick, R1 is offside and R2 makes an invalid fair catch signal.

Ruling: These two live ball fouls by the same team do not constitute a multiple foul because the first was followed by an unsportsmanlike conduct foul by the same team. Therefore, the penalty, if accepted, would be measured from the previous spot 5 yards for the offside, then followed by a 15-yard penalty for the unsportsmanlike conduct.

33. Play: During a running play, B1 is offside, B2 removes his mouthpiece, after which there is clipping by A1.

Ruling: The offside by B1 and the clipping by A1 constitute a double foul which will cause the down to be replayed. Because failure to wear player equipment is an unsportsmanlike conduct foul, which followed the previous live ball foul by B1, it is necessary to tack on an additional 15-yard penalty against B.

Basketball

BALL HANDLING IN BASKETBALL, j-s-c, 1 reel, \$2.00

Teaches fundamentals of basketball handling including stance, grip, control, adjustment, before shooting, catching the ball, and other points. Presents game shots, using special photographic techniques to illustrate principles.

BASKETBALL BY RUPP, j-s-c-a, 2 reels, \$3.00

Animated play diagrams, slow motion photography, and action shot are combined in this new film prepared under the personal direction of Mr. Rupp especially for coaching use. Among the drills and plays covered in this film are: pivot man's slide into the basket; Play No. 6, the famous Kentucky basket marker; legal screening; penetration zone defense; and the Kentucky fast break.

BASKETBALL BY THE RULES, e-j-s-c-a, 3 reels (30 min.), color, \$1.00

Penetrates beneath the surface of the game to provide a thorough examination of the playing rules and officiating procedures. It will aid the fans as well as officials, coaches and players to better understand those difficult judgment decisions that occur constantly. (KHSAA)

BASKETBALL FUNDAMENTALS — INDIVIDUAL TECHNIQUES, j-s-c-a, 1 1/4 reels, \$2.50

Branch McCracken, Indiana University basketball coach, used his team to demonstrate the fundamentals of basketball. Slow motion photography is used to break the various court techniques down into easily grasped essentials.

BASKETBALL KENTUCKY STYLE, j-s-c-a, 2 reels, \$3.00 (in state), \$5.00 (out of state)

This is the revised edition of the film "basketball by Rupp," prepared under the personal direction of Mr. Rupp especially for coaching use.

BASKETBALL STRATEGY FOR GIRLS, j-s-c-a, 1 reel, \$2.00

The basic strategy of offense play (fakes, rolls, cutting, screen, varying pace) and defense play (player to player, basic zone, shifting zone, triangle, and diagonal) is demonstrated and explained in this film.

BASKETBALL TECHNIQUES FOR GIRLS, j-s-c-a, 1 reel, \$2.00

Basic movement skills (running, starting, stopping, turning) passing (finger control, movement with the pass, leading the receiver, choice of the right pass), catching (side pass, high pass), shooting (finger control, arm extension, wrist flip, choice of the right shot), dribbling, faking, and pivoting are demonstrated and explained in this film.

CHAMPIONSHIP BASKETBALL—TEAM TECHNIQUES, j-s, 1 reel, \$2.00

Man-to-man defense is shown, with the means best used under varying conditions.

DEFENSIVE FOOTWORK IN BASKETBALL, j-s-c-a, 1 reel, \$2.00

Striding with an opponent, checking, maneuvering him out of position and other basic skills are illustrated, using special photography to demonstrate points. Rebounding, pivoting, and correlated arm action are taught also.

ELIZABETHTOWN VS OWENSBORO, (1972 Basketball Finals), e-j-s-c-a, 1 reel, (35 min.), Color, Silent, \$1.00

The Red Devils from Owensboro, Kentucky used strong rebounding and excellent shooting to

capture the 1972 State Championship 71-63. (K.H.S.A.A.)

KNOW YOUR BASKETBALL, j-s-c-a, 3 reels (33 min.), color, \$1.00

Provides a thorough examination of the rules and presents guidelines that will aid the fans as well as officials, coaches and players in a better understanding of those difficult judgment decisions that are constantly occurring on the basketball court.

LOUISVILLE MALE VS ANDERSON COUNTY (1971 Basketball Finals), e-j-s-c-a, 3 reels (33 min.), color, Silent, \$1.00

The male Bulldogs displayed their superiority in wearing down a smaller but talented Anderson County to win the championship for the second consecutive year, 83-66. (K.H.S.A.A.)

OHIO COUNTY VS CENTRAL (1969 Basketball Finals), e-j-s-c-a, 3 1/2 reels (35 min.), color, Silent, \$1.00

Central High School of Louisville won the State Championship by defeating Ohio County, 101-72, in the final game. Central eliminated Richmond Madison, Hopkinsville, and Maytown to reach the championship game. (KHSAA)

RUPP'S PARADE TO THE NATIONAL CHAMPIONSHIP of 1958, j-s-c-a, 4 reels, \$4.50

This film presents the highlights of all the games, both regular season and tournament games, which led up to the U of K's Wildcats winning the NCAA basketball crown.

SHOOTING IN BASKETBALL, j-s-c-a, 1 reel, \$2.00

Concentrating on the set shot, this film pictures the action of the throw, stance, aim, trajectory, and fingertip control. Special attention is given total body coordination, especially inward rotation of the hand and arm making the throw.

Swimming

BACK STROKE, e-j-s-c-a, 1 1/2 reels (15 min.), \$3.00

Good body position and efficient arm action are the basis for the fine performance. Special attention is given to the start and the turn. Effective use is made of animation, stop action and slow motion.

BEGINNING SWIMMING, e-j-s-c-a, 1 reel, \$2.00

Through scenes photographed both above and beneath the surface of the water, basic techniques of swimming for beginners are demonstrated. Land and water drills involving kicking, breathing floating, paddling and stroking and pulling with the arm practiced separately, then coordinated as the swimmer learns the American crawl. The back float, back stroke, and breast stroke are also illustrated and explained.

BREAST STROKE, SIDE STROKE AND UNDERWATER SWIMMING, e-j-s-c-a, \$2.00

This film presents the conventional breast stroke, timing and strokes, and the kick.

BUTTERFLY, e-j-s-c-a, 1 1/2 reels (16 min.), \$3.00

Newest and most challenging of the swimming strokes is examined in detail. Making use of slow motion underwater photography, the arm action and dolphin kick are analyzed. Correct timing between arms and leg action is vital to performance. Reasons for timing are clearly explained.

CHAMPIONSHIP SWIMMING: PERFECTING TECHNIQUE, e-j-s-c-a, 2 reels, (19 min.), color, \$5.50

Outlines briefly the program and training methods used by the Santa Clara Swim Club that may be used by anyone to train swimmers. The techniques illustrated, such as weight, training, circle training, pace clocks, bench and stroke work, and interval training, when properly applied in the appropriate circumstances, will all prove beneficial in perfecting swimming style.

Thanks Coach

Your Example Helps My Boy

Editor's Note: The following article was printed in the December issue, 1969, of the Texas Interscholastic Leaguer. Dear Coach:

The football season is over and my son Bill has hung up his gridiron "togs" and will soon report for basketball practice. Our school didn't win the district championship, but we won our share of the games played and above all our team won the respect of our opponents and our community by their fine sportsmanship and hard play. It was a very successful year for all, and especially for my son.

As a parent, Coach, I am eternally thankful that my boy had the opportunity to play under your supervision and leadership. Each day during the football season my boy learned through example those fine moral and ethical character traits which we all want our boys to know and to follow. I recall the night Bill told me how he nearly lost his temper in a scrimmage, but thought just in time that "Coach" never loses his temper, and neither will I. Thanks, Coach, for setting an example in proper conduct on and off the playing field. Bill tells me that Coach can be firm without being loud, mean and boisterous, that Coach knows when to sympathize, when to pat you on the shoulder, and how to correct you. These are leadership traits I want my son to acquire and he can best learn these on the field of competition under proper leadership.

Obedience to Authority

For three months, Coach, my boy has really been under your complete control. He has adjusted his life to your suggested plan. Meals, hours of sleep, social activity, etc., have all been adjusted to your schedule and through these he has learned voluntary obedience to constituted authority. How much this obedience to rules and authority is needed in today's society! I believe Bill has learned this lesson. Coach, Bill imitates your every action, you are his ideal. How proud I am that your personal life and conduct are on such a high level! My boy dresses better, speaks better English, and behaves better because Coach sets the example. I wonder if all coaches realize how important a place they have in the school and community, and how many boys are imitating them?

Scholarship

Especially, Coach, I want to thank you for insisting that athletes study diligently, and stressing constantly the fact that scholastic work is so important. Bill told me that you had impressed on all of the team that football players are superior intellectually to the average student and that they should make good grades because they have the ability to do so. This teaches the boys not to try and "ride by" because they are athletes. I had told Bill several times that Dr. Terman in his studies on gifted children had found that children with superior physical physiques have superior mental abilities. Hearing this same principle from his coach, however, made an impression which is lasting.

Your emphasis on teamwork, cooperation, fair play, sportsmanship, honesty, integrity, obedience to authority, control of emotions, proper health habits, and proper conduct has earned for you a place of honor in the hearts of all the parents, the students, the faculty, and the community.

The impact of your leadership is just as obvious in the community as in the school. Your active participation in civic, church and youth organizations proves that you are really concerned about all youth, and that you want to make our town a better place for everyone to live in.

In conclusion, Coach, thanks again for all you have done for Bill and the youth of this community. We appreciate you and want you to know that this is a better community because you chose the profession of coaching and the leadership of youth.

Your friend

Bill's Dad.

The Sport of Table Tennis

The sport of table tennis, on a high competitive level, requires quick reflexes, good eye-hand coordination, fast footwork and top physical condition.

Many people have played a basement game called Ping Pong, which is really the trade mark name for a brand of equipment. I am often asked what the difference is between this game and table tennis. My answer is that table tennis is played under strict rules and requires 10 to 15 feet behind each end of the table, six feet on each side and at least a twelve foot ceiling. In top competition, the ball, weighing a fraction of an ounce, may attain a speed of 50 to 60 miles an hour. It is for this reason that a well lit gymnasium is the best place for table tennis competition.

The requirements of age, weight, and size are such that almost anyone can play this sport. To reach a high degree of skill, one must learn the basic rules, practice constantly and maintain good physical condition.

A very important aspect of table tennis is the fact that all the skills learned in this sport are useful in other sports. For example, Brooks Robinson, star player for the Baltimore Orioles, stated that table tennis had helped him develop the quick reflexes required in baseball.

The Lexington Table Tennis Club is holding the Kentucky closed championships on Saturday, November 17, at Ashland Elementary School in Lexington. Several events for school age boys and girls are included.

For information on the tournament or on how to start a school table tennis group, contact Ted Friedman, 307 Lakeshore Drive, Lexington, Kentucky 40502 or Metro Recreation Department, 302 West Main Street, Lexington, Kentucky 40507.

National Federation Basketball Test

Part II of the National Federation basketball examination will be given all over Kentucky on Monday, December 3, to officials who wish to work for the Approved and Certified ratings. The examination sites will be determined by the Commissioner. Officials registered with the K.H.S.A.A. for the first time this year and who have not been registered previously in any other state association, are not eligible to take the test. Those interested should advise the State Office immediately in order that necessary arrangements can be made with the school administrators who will supervise the taking of the exam. Officials living in Kentucky need not suggest the name of the examiner. The Approved rating does not carry forward from year to year, but must be earned each year.

Attention, Basketball Head Coach and Officials

The National Basketball Committee is suspending enforcement of the provision which prohibits tails under names on shirts for the 1973-74 season. Thus, Case Book situation No. 10 (page 7) is not to be applied for the present season.

Member institutions should be notified immediately that the provision prohibiting "tails" under names will become effective at a future date to be announced by the Committee. Confirmation of the future date will also be included in future basketball rules publications. Institutions ordering basketball shirts for future use should make certain there is no "tail or tails" above or below the name of the team or the name of an individual.

Basketball Rule Interpretation

1. **PLAY:** During (a) field goal try; (b) free throw try; or (c) throw-in the ball lodges in a basket support or between the basket rim and the backboard.

RULING: As provided by the rule, the ball becomes dead as soon as it becomes stationary in either (a) and (b). In (c) the ball was dead during the throw-in and therefore, it remains dead. Immediately after the official has judged the ball to be lodged, he shall sound his whistle indicating it has become dead or is to remain dead. In (a) and (b) play will be resumed by a jump ball be-

tween any two players at the near free-throw circle unless in (b) the free throw was the first of two awarded attempts. In (c) the ball is awarded out-of-bounds at the previous throw-in spot for a throw-in.

COMMENT: Lodged means the ball has become "caught" or stationary. That it is not moving. Thus, as provided by the rule it becomes dead or remains dead. To administrate the coverage in accordance with the ruling provided above will eliminate the possibilities of players jumping to dislodge the ball, or having it become alive by touching it while it is lodged, or from complications which could arise from touching the ball while it is lodged and touching the cylinder above the basket.

2. **PLAY:** The official has designated A1 to make a throw-in. (a) A1 makes the throw-in while A2 was standing out-of-bounds at the throw-in spot or; (b) after the ball has been at the disposal of A1, A2 takes the ball and makes the throw-in.

RULING: Violation in both (a) and (b).

Congratulations, Ladies!

(This bulletin was received from the National Federation of State High School Associations. All Kentucky is proud of these athletes. The K.H.S.A.A. commends each one for this achievement.)

Six performances by Kentucky high school girls have been recognized by the National Federation of State High School Associations in the 1973 Girls National Interscholastic Track and Field Honor Roll.

Performances by Fort Knox and Louisville Ballard relay teams, which placed first and second respectively in the 880 yard medley relay of the Kentucky State Track and Field Meet last year, are good enough to rank first and second nationally in the event. Fort Knox edged Ballard by a tenth of a second in posting a winning time of 1:51.0.

Karen Abrams of Louisville Assumption jumped 5'6" to win the high jump title last May. That is good enough for a 4th place tie on the girls national honor roll.

Charlotte Holmes of Fort Knox has gained a tie for 5th place in the national 440 yard dash rankings with the :57.8 she achieved in the same meet.

Shelley Merette of Male High School in Louisville won the girls state long jump title at 18'¾", which has earned her a 10th place national ranking.

Louisville Eastern has tied for 12th in the national 440 yard relay listing with a time of :49.9 achieved at the Kentucky State Meet.

The complete Girls National Interscholastic Track and Field Honor Roll is included in the 1974 Girls' Track and Field Rules and Records published by the National Federation. It lists only performances which were achieved in sanctioned high school meets.

Women's Basketball Officials Clinic

The University of Kentucky Officials Rating Board, and the KHSAA will jointly sponsor a women's basketball officials clinic Dec. 1. The Clinic will feature Ms. Shirley Duncan of North Carolina, Chairman of the principles and techniques of officiating for D.G.W.S. Two other prominent figures in Kentucky officiating circles, Ms. Pat Deacon and Billy Wise will also be on hand.

The clinic will begin at 9:00 a.m. and end approximately at 4:00 p.m. The clinic will be housed in the Seaton Center on U.K.'s campus.

Films of the women's regional and national championships will be shown as well as the latest men's officiating films.

Men as well as women are urged to participate, as many of the women's techniques and rules will receive intense interpretation.

The Game Guy Award

The K.H.S.A.A. will continue to give the Game Guy Award. School representatives and registered officials may make nominations for the award. The eligible person should be a pupil at the junior or senior high school level who has overcome great physical handicap in order to take part in athletics. Letters of recommendation should be addressed to "Game Guy Committee, K.H.S.A.A., P. O. Box 7502, Lexington, Kentucky 40502." Deadline for the 1974 nominations is April 1.

Minutes of the Board Meeting

The Board of Control of the K.H.S.A.A. met at the K.H.S.A.A. Building on Saturday morning, October 13, 1973. The meeting was called to order by President Frank Simpson at 10:30 A.M. Present were Board members J. C. Cantrell, Thomas Creamer, Howard Crittenden, Jack Fultz, Arthur Hawkins, Louie Martin, W. P. Wheeler, Roy Winchester, James Williams; Commissioner J. B. Mansfield and Assistant Commissioners Tom Mills, Louis Stout and Billy V. Wise. Mr. Wilbur Smith represented the State Department of Education. The invocation was given by J. C. Cantrell.

President Simpson opened the meeting by extending a welcome to J. Thomas Creamer, Principal of Maysville High School who was recently elected to membership on the K.H.S.A.A. Board of Control, representing Section 5, to fill out the unexpired term of William C. Doan.

Arthur Hawkins moved, seconded by Howard Crittenden that the reading of the minutes of the July 27th meeting be waived since members of

Minutes of State Wrestling Committee

The State Wrestling Committee met on October 20, 1973, at 10:00 A.M. in the K.H.S.A.A. Building at Lexington. Present at the meeting were Chairman Orville Williams, Assistant Commissioner Louis Stout and managers, or their representative, of seven from among the eight regional wrestling tournament managers.

Assistant Commissioner Louis Stout opened the meeting with remarks regarding the strong interest shown by several additional schools in starting a wrestling program. A number of schools have been unable to start programs as mats were not available. The resulting increase in the number of schools may require that districts be formed for the 1975 tournament series.

The following items were discussed by the Committee:

1. Tentative plans for a Committee meeting in the spring to set up alignment for proposed districts in 1975. (This plan must be adopted by the Board of Control).
2. That all schools be reminded that under

National Federation Rules the use of Certified Scales is mandatory for 1974. (This was in effect for 1973).

3. That all wrestling coaches be reminded that the limit for the heavyweight class is 250 pounds.

4. A suggestion that all contracts between schools indicate a monetary forfeit if there is not a certified scale and the school is thereby unable to wrestle.

5. That attention be called to the fact that riding time has been eliminated at the national rules level as of this season.

6. That all head coaches and officials be required to attend at least one clinic each season. (The Delegate Assembly must act to place this in the By-Laws).

7. That if any qualifier can not participate in the State Tournament, the manager must be notified no later than noon of the day preceding the start of the meet. The manager will replace him with the next wrestler in line according to his place in that region. (This will be in effect for the 1974 State Tournament).

8. That mat judges be used throughout the State Tournament. The officials then would include the four referees and eight mat judges to be chosen by the K.H.S.A.A. from a list supplied by the Regional Tournament managers who have received nominations from the coaches in their respective region. Two men will be chosen by the regional manager from his list to submit to the K.H.S.A.A. The twelve will be chosen from this list. Only registered, approved and certified offic-

ials are eligible. The nominations must be submitted no later than January 20.

9. A vice-chairman will be appointed annually by the chairman at the fall meeting. Ath. Dir. Gene Minton, Atherton High School, was named for 1973-74.

10. Three mats will be used in the State Tournament. Mr. Williams indicated that only one weight class would wrestle at a time. This would tend to eliminate the possibility of a coach having two or three men wrestling at the same time.

11. The manager said that weigh-in time for the first day will remain the same as last year, but that weigh-in for the second day will be from 8:00 A.M. until 9:30 A.M.

12. That it be emphasized to all referees that they be sure to cross out all blanks on each certification blank before signing the sheet. (A new form will be devised and published for 1974-75 season).

13. That the official's uniform must be proper and the rule adhered to as usual.

14. That a proper mat should be used. However, due to circumstances the official should exercise good judgment in showing leniency for the time being if it is not.

15. Drawings were made for each weight class by Assistant Commissioner Stout and the Committee.

16. That Mr. Williams and Mr. Bob Weenolsen will conduct clinics for coaches and officials as follows: November 1, Frankfort High School at 7:30 P.M.; November 3, Conner High School at 1:00 P.M.; November 8, Seneca High School at 7:30 P.M.; November 10, Fort Campbell High School at 1:00 P.M.

The assignments of schools to the eight regions will be found elsewhere in this issue of the "Athlete" along with the location of the meets and the name of the managers for each.

There being no further business, the meeting adjourned at 2:40 P.M.

Board Meeting Minutes

(Continued from Page Three)

the Board had received copies of these minutes. The motion was carried unanimously.

Chairman Roy Winchester of the Committee on Appeals, reported the following eligibility cases it has heard since the last meeting:

1. Eligibility status of Fred Merrick, Jr., a student at Ballard High School who is ineligible under By-Law 5, Section 4, Preceding Semester Enrollment. Mrs. Fred Merrick, Sr., came before the Committee requesting waiver of the rule, thereby permitting her son to participate in athletics at Ballard High School. Following the hearing, the Committee recommends By-Law 5, Section 4, not be waived in this case.

2. The eligibility status of David Grubbs, a student at Henry County High School desiring to transfer to Eminence High School was considered. He would be ineligible under By-Law 6, Section 1. Following a hearing with Mr. Wayne Meador, Principal of Eminence High School and Mr. and Mrs. Grubbs, the Committee recommended that no action be taken to set aside the penalty.

3. The eligibility status of Willie Wilson, a student at duPont Manual High School who is ineligible under By-Law 5, Section 1, was presented. The Committee recommended that no action be taken in this case.

4. The eligibility status of Ted Kessinger, Jr., a student at Doss High School who is ineligible under By-Law 6, Section 1, was discussed. Following a hearing, the Committee recommended restoration of the eligibility of student.

5. The eligibility status of Bill Mallery, a student at Covington Catholic High School who is ineligible under By-Law 6, Section 1, Transfer Rule. After hearing the facts in the case the Committee recommended that this student's eligibility be restored.

6. The eligibility status of Joe Kington, a student at Christian County High School who is ineligible under By-Law 6, Section 1. After considering the facts, the Committee recommended that this student's eligibility be restored.

7. The eligibility status of Joe Smithmier, a student at Lone Oak High School who is ineligible under By-Law 5, Section 4, Preceding Semester Enrollment, was considered. The Committee recommended that this student's eligibility be restored.

8. The eligibility status of Paul Smith, a student at Hazard High School who is ineligible under By-Law 6, Section 1, was discussed. After considering the evidence as presented, the Committee recommended that no action be taken in the case.

9. The eligibility status of Dwayne Rogers, a student at Montgomery County High School, who is ineligible under By-Law 6, Section 1, was considered. Based upon information received, the Committee recommended no action to be taken in this case.

Howard Crittenden moved, seconded by W. P. Wheeler, that the recommendations of the Committee on Appeals be approved with the exception of the case of Bill Mallery of Covington Catholic. All members voted aye.

Following a lengthy discussion on the case of Bill Mallery, Louie Martin made the motion that the eligibility of Bill Mallery be restored. Arthur Hawkins seconded the motion. The motion carried by a vote of 7 to 3.

Mr. Fletcher Carr appeared before the Board on behalf of his brother, Jimmy Carr. Jimmy is a

student at Woodford County High School and is ineligible to participate in athletics under By-Law 6, Section 1, Transfer Rule. Following Mr. Carr's comments President Simpson thanked him for coming in and assured him the Board would give full consideration to his request. Following a lengthy discussion the Board declined to take action necessary to restore Jimmy's eligibility.

Mr. Dave Conrad, Sports Director WKYT-TV, appeared before the Board requesting that they consider adopting the American Basketball Association ball as the official ball for the high schools of Kentucky. Following his request the Board refused to take action. Mr. Conrad was so informed.

Reverend Thomas Duerr, Principal of Trinity High School, and Mr. Don Dumeyer came before the Board to explain the nature of the Athletic Scholarships that had been given to students at Trinity High School in the form of reduced tuition, and to answer any questions members of the Board might have concerning the situation. Following a lengthy discussion in which there were many questions and answers, President Simpson thanked them for coming before the Board. Both Rev. Duerr and Mr. Dumeyer thanked the Board for their time and departed.

The Board instructed Mr. Mansfield to inform Reverend Duerr that tuition grants would be considered a violation of By-Law 10, that in the future they were not to give such to any student whose athletic potential was considered. As tuition reduction was given to freshmen only beginning this year no penalty was placed against Trinity High School.

Mr. Mansfield presented the eligibility case of Clifford R. Buechel, III, a student at Trinity High School who is ineligible under By-Law 6, Section 1. After hearing the facts as presented by Mr. Mansfield, the Board declined to take action.

Tom Mills presented the Trophy Committee report stating that bid forms were sent to seventeen

prospective bidders. Seven bids were received for all or part of the trophies and awards. The Trophy Committee recommended that the contract be awarded to the S & M Sporting Goods & Trophies of Louisville, Kentucky, based upon what they considered to be the lowest and best bid. Arthur Hawkins moved, seconded by Howard Crittenden, that the report and recommendation of the Trophy Committee be accepted. The motion was passed unanimously.

President Simpson appointed Jack Fultz, Louie Martin, Jim Williams and Tom Creamer to serve as a Committee to study possible changes in the present football alignment for the 1974-75 school year and to report back to the Board at the next meeting with any suggestion or recommendations.

Tom Mills reported that the K.H.S.A.A. has seventy-three schools registered in Class A Cross Country divided into eight regions. There are fifty-nine Class AA schools divided into eight regions and thirty schools registered in Class AAA, divided into four regions. Regional meets will be held on October 19 and 20. The State Meets for all Classes will be held at Collings Park in Louisville on October 27.

The Board voted unanimously upon a motion by Howard Crittenden and a second by Louie Martin, to eliminate the sponsoring of the annual K.H.S.A.A. Dinner Meeting held in Louisville following the annual meeting of the Delegate Assembly. The reason for the action being the lack of interest and decreased attendance in the meeting. Mr. Mansfield was instructed to look into the possibility of the Board of Control meeting with coaches, principals and superintendents at their annual meeting.

The Board of Control set the next meeting date for December 21, 1973, at 12:00 at the K.H.S.A.A. Building in Lexington.

Roy Winchester moved, seconded by Jim Williams, that all bills of the Association for the period beginning July 1, 1973, and ending September 30, 1973, be allowed. The motion was carried unanimously.

There being no further business the meeting adjourned at 3:15 P.M.

Films

(Continued from Inside Front Cover)

CRAWL STROKE, e-j-s-c-a, 1 reel, \$2.00

The basic principles of the stroke are presented in this film. The arm stroke, the kick, and the breathing are demonstrated. This film also includes slow motion shots underwater.

DIVING FUNDAMENTALS, j-s-c-a, 1 reel, \$2.00

After a brief history of the sport of diving, the following points are explained and demonstrated: the hurdle jump, determining the correct distance, proper arm action, correct way of landing on the feet, proper takeoff and lift, correct entry into the water. The backward dive is also taught, including lift, arching the body, and entry into the water. The motion is stopped at various points to enable detailed study of form.

DOLPHIN KICK, e-j-s-c-a, 1 reel, \$2.00

An excellent swimmer, an underwater camera and carefully devised teaching demonstrations introduce the new swimming techniques known as the dolphin or fishtail kick. Analyzing the body movements used in the dolphin kick, the film stresses the importance of practice for mastery of this efficient speedy kick.

DROWN PROOFING, j-s-c-a, 1 reel (9 min.), color, \$4.50

Shows how to stay afloat and travel in water even if you have never learned to swim. Ninety-

nine per cent (99%) of all men and about ninety-nine point nine per cent (99.9%) of all women can remain on the surface in fresh water without moving, as can nearly all children.

I'M NO FOOL IN WATER, p-e-j-a, 1 reel (8 min.), color, \$3.00

Jimmy Cricket illustrates the "do's" and "don't" of water safety precautions. Points out the basic rules: wait at least two hours after eating, stay out when water is too cold, never swim alone, and dive only when you know the water is deep enough.

SPRINT CRAWL, e-j-s-c-a, 1 1/4 reels (14 min.), \$3.00

Underwater photography plus animation demonstrate the dynamics of moving solid bodies through water and the resistance factors that must be overcome. You see the employment of arms and legs as well as entire body for speed, streamlining power. Championship racing starts breathing techniques, and turns are shown in slow motion.

SWIM AND LIVE, j-s-c-a, 2 reels, \$2.00

Men of the Army Air Force at Miami are taught to swim from floating to swimming through burning oil. The film is useful for pre-induction instruction and for safety classes as well as for general programs.

SWIMMING BY THE RULES, e-j-s-c-a, 1 1/2 reels, (18 min.), color, \$1.00

The first film ever produced to demonstrate the interpretation of the rules of swimming. Official procedures for starting, stroke judging, turn judging, finish judging and timing are illustrated. Divers in action show numerous faults and how much each fault lowers the diver's score. (KHSAA)

Wrestling

JIU JITSU, j-s-c-a, 1 reel (13 min.), \$1.00

Demonstrates the effective, dangerous Jiu Jitsu defenses against knife, gun, club and mugging attacks.

WRESTLING BY THE RULES, e-j-s-c-a, 2 reels (18 min.), color, \$1.00

Devoted to rules interpretations and officiating procedures. A visual approach to the written rules is shown in sixty scenes. Guidelines for officiating such areas as takedowns, reversals, stalling, technical violations and illegal holds are presented. (KHSAA)

WRESTLING OFFICIATING ILLUSTRATED, j-s-c-a, 2 reels, color, \$1.00

Interpretations given in Wrestling Officiating Illustrated have been made by the National Federation members of the Joint Rules Committee. The film covers takedowns, reversals, escapes, leaving the mat, stalling, scoring and illegal holds such as body slam, bar arm, full nelson and chicken wing. Guidelines for officiating and interpreting the rules are provided. In all there are sixty separate scenes of wrestling. This film will provide the much needed guidance and proper interpretations for interscholastic competition.

WRESTLING TODAY, 16mm, (17 min.), color

This film displays the starting position on the mat, for the defensive and offensive man and also the referee's position. Also when control is gained, takedown, when control is lost or the escape, when control change is reversed. The near fall and pinning situations from a takedown standpoint, stalling tactics in neutral positions.

This is a brief synopsis of the pertinent areas of the rules code illustrated in this color film. The movie was produced by the National Federation of State High School Associations.

SINCE WE PROVIDE COVERAGE FOR ABOUT 50% OF THE SCHOOLS IN THE STATE, WE DO HAVE A COMMERCIAL INTEREST IN THE ACADEMIC AND ATHLETIC PROGRAMS OF ALL OUR SCHOOLS.

BUT OUR REAL INTEREST IS MUCH DEEPER. WE ARE VITALLY CONCERNED THAT GOOD CITIZENSHIP, A SPIRIT OF FAIR PLAY, AND A REAL SENSE OF PERSONAL RESPONSIBILITY BE INSTILLED IN THE YOUTH OF OUR DAY.

WE BELIEVE THESE ARE THE QUALITIES THAT HAVE MADE AMERICA GREAT, AND ARE THANKFUL FOR OUR SCHOOLS AS THEY WORK TO CONTINUE THAT GREATNESS.

1973-74 WRESTLING EARLY SEASON QUESTIONS

INSTALLMENT I

EDITOR'S NOTE: These interpretations of the 1973 National Federation Wrestling Rules do not set aside nor modify any rule. They are made and published by the National Federation of State High School Associations in response to situations presented.

Clifford B. Fagan, Editor,
National Federation Publications

RULE BOOK CORRECTIONS:

5-1-5: Next to last sentence should read: "A knee or foot **may** be placed in back of the defensive wrestler's feet."

Page 29: Under explanation of "other byes" the second 14 should be 15.

Page 30: The reference to "quarter" brackets should be **half** brackets.

Page 41: The caption for the lower left picture should read: "In the guillotine, forcing the arm so that it endangers the defensive man is a potentially dangerous hold."

* * * * *

WRESTLING EARLY SEASONS QUESTIONS — INSTALLMENT I

1. Situation: During his inspection of the wrestling mat and the general mat area, the referee requests chairs and benches to be removed from an area 10 ft. wide completely surrounding the wrestling mat proper.

Ruling: The mat area extends completely around the wrestling mat proper for a distance of 10 ft. This area is to be free of any items which may interfere with normal progress of the match. In some small gyms, the mat area will necessarily be limited. The unobstructed area surrounding the mat should be as nearly 10 ft. as facilities permit. Coaches are to be seated at least 10 ft. from the edge of the mat and 10 ft. from the official's table. The mat area includes the team benches and the official's table.

2. Situation: In the second period of match A1, who is ahead 2-1, is successful in applying a figure 4 scissors to the body of B1. A1 flattens B1 to the mat but does not attempt to apply any hold to turn B1. When this becomes apparent, the referee warns A1 for stalling without stopping the match.

Ruling: The match will not be stopped when warning either wrestler for stalling. The referee must be certain the wrestler realizes he is being warned and, at the same time, signal the official's table there has been a warning issued. The match will continue uninterrupted.

3. Situation: During the third period, B1 is successful in executing a stand-up and escapes. The maneuver puts B1 one point ahead of A1 and he is content to avoid A1. When they do tie-up, B1 makes no attempt to take A1 down but rather blocks attempts by A1 to secure a takedown. B1 has been warned for stalling in the first period.

Ruling: The referee will stop the match and award

1 point to A1. Whenever it is necessary to penalize a wrestler, the match shall be stopped, the penalty clearly indicated and the point awarded.

4. Situation: From the starting position on the mat B1 makes no attempt to move for an escape and is flattened on the mat. While down on the mat B1 holds his upper arms tight to his body, so that it is not possible for A1 to apply a half-nelson or other hold designed to turn B1. Both wrestlers have been warned for stalling during the match.

Ruling: When it is apparent B1 will not make a move, the referee sounds his whistle stopping the match and awards 1 penalty point to A1. The match is to be stopped whenever penalty points are awarded regardless of the reason.

5. Situation: A1 has his opponent in a pinning situation near the edge of the mat. As A1 turns the torso of B1 away from the boundary, B1 moves so that the lower part of his body is outside the wrestling area. The supporting parts of A1 remain inbounds as do the shoulders of B1.

Ruling: Wrestling shall continue as long as the shoulders of B1 are within the inbounds area. Near-fall points may be earned in this situation. If either shoulder of B1 touches the boundary line, or outside that line, wrestling will continue if there is a possibility of A1 bringing B1 back inbounds.

6. Situation: B1 is successful in gaining a reversal and both wrestlers are near the edge of the mat with A1 on his back attempting to avoid a pinning situation by moving out-of-bounds. B1 attempts to drive or hold A1 in the inbounds area and the supporting points of B1 are inbounds.

Ruling: Wrestling shall continue so long as the supporting points of either wrestler are inbounds. In a situation such as this, the referee shall permit wrestling to continue provided there is a possibility of the wrestler in the advantage position keeping his opponent in the inbounds area.

Comment: In the two foregoing situations the referee must exercise careful judgement. If there were little or no chance of the offensive wrestler bringing his opponent into the inbounds area or restraining him there, the referee shall declare an out-of-bounds after reasonable length of time. The purpose of this provision is to permit a wrestler who has fairly gained an advantage to continue this advantage without having to break the hold due to an out-of-bounds being declared. If the wrestler in the advantage position cannot capitalize on this advantage, by bringing his opponent into the inbounds area and restraining him there, an out-of-bounds will be declared.

7. Situation: In assuming the staring position on the mat, defensive wrestler B1 places his hands in front of the forward starting line and his knees behind him in contact with the rear starting line and: (a) his lower legs are parallel and in line with the long axis of his body; or (b) his feet are touching behind him so that his lower legs are at an angle from the point of contact of the knees on the mat. A1, in assuming his position to the left side of B1 in (a) places his left knee on the mat to the outside of the lower leg of B1 and his right

Attention, Principals and Superintendents

The forms to be used for ordering your tickets to the State Basketball Tournament will be mailed early in December. Instead of trying to get the order postmarked January 2, as indicated on the Memorandum Calendar, you may send anytime through **January 15** without loss of priority. The Board of Control will set up a seating rotation plan to be used from one year to another for distributing the tickets calling for seats in the arena. Also, this will give you additional time to prepare the order.

Delegate Assembly Members

Members of the Delegate Assembly at the forthcoming 1974 annual meeting of the Association were elected by the principals of K.H.S.A.A. member schools on ballots returned to the State Office before November 15. There were several ties in the voting for delegate and alternate. These ties were broken recently, with the delegates and alternates determined by lot. The names of the district representatives are as follows:

Corresponding Dates For Football

Article VIII, Section 3-d, of the K.H.S.A.A. Constitution states: "If 'corresponding date' appears in a football or basketball contract, Thanksgiving Day is the date from which the corresponding date shall be determined in football, the date of the district tournament final game in basketball. This rule as it applies to basketball shall go into effect in 1970-71."

Since 1974 is the year Thanksgiving moves six days later in the month, there is some confusion over the state pertaining to the scheduling of the football games. The above regulation applies only if the "corresponding date" is to determine the date of the second game of a two-year contract. If specific dates appear in the contract for both games of a two year contract this regulation would not apply. In 1974 Thanksgiving falls on November 28. The finals will be on November 29, therefore the semi-final will be played November 22 and the districts on November 15.

1973-74 BASKETBALL EARLY SEASON QUESTIONS INSTALLMENT I

EDITOR'S NOTE: These interpretations of the rules of the National Basketball Committee of the United States and Canada do not set aside nor modify any rule. The rulings are approved and apply to the situations for which they are given.

CLIFFORD B. FAGAN, Editor,
National Federation Publications

THE NATIONAL BASKETBALL COMMITTEE IS suspending enforcement of the provision which prohibits tails under names on shirts for the 1973-74 season. Thus, Case Book situation No. 10 (page 7) is not to be applied for the present season.

INSTITUTIONS SHOULD BE NOTIFIED IMMEDIATELY that the provision prohibiting "tails" under names will become effective at a future date to be announced by the Committee. Confirmation of the future date will also be included in future basketball rules publications. Institutions ordering basketball shirts for future use should make certain there is no "tail" or "tails" above or below the name of the team or the name of the individual.

BASKETBALL PUBLICATION CORRECTIONS RULE BOOK FOR GIRLS

Page 15: Add the word **or** to definition 4-6 so it reads: "A player is in control when she is holding a live ball **or** dribbling it."

Page 33: Under Rule 10-6, add new item e which will read: "Wear an illegal shirt". Old item e should become new item f, item f new item g, etc.

PLAY 13: Revise the ruling to read: "There is no penalty in (a) or (b). The infractions must be discovered before the ball becomes alive to be penalized".

CASE BOOK

Play 1009C: Revise the ruling to read: In (a), A1 is entitled to his second free throw. In (b), it is too late to correct the error made by the official.

Play *113A: In the first sentence, change **B1** to **B6**.

Play 411KK: The next to the last sentence in the ruling should be replaced as follows: "B is awarded a bonus attempt." The last sentence remains and is correct.

1.PLAY: (a) A1; or (b) B1 commits basket interference at basket of Team A. In (a) the referee erroneously counts score; or in (b) fails to count it. In each case the error is not discovered until after the ball has become alive following the dead ball after the error occurred.

RULING: It is too late to correct the official's error. If the error were detected during the first dead ball period following its occurrence, correction could have been made.

Note: The above situations (a) and (b) reflect errors by the officials, correction time for which is limited by 2-10. However, the coverage in 2-10 is not applicable to errors made in record keeping or, in other words, errors made by the score keeper. Thus, if a score is not recorded or a foul is erroneously charged, correction may be made as provided in 2-11.

2. PLAY: A6 enters the court while the ball is alive and the clock is running.

RULING: This is an infraction and should be penalized with a technical foul. If the officials fail to

Both Coaches and Officials Can Help Prevent Unsportsmanlike Conduct

It takes total effort to provide for good sportsmanship at athletic contests. The school administration, and particularly the athletic director, must educate players, students, and fans to the most worthwhile values of interscholastic athletics. It should be commonly understood that their main purposes are educational and recreational, and when they cease to be either, they can no longer be justified as a supplement to the curricular program of the school.

At the game site, both officials and coaches can contribute to the type of sportsmanship which is in the best interest of boys and girls.

Schools have reason to expect the coach to be a mature person who can control his emotions during athletic contests. He must set a proper example for his players and team followers. His actions can influence spectators positively or negatively. He has reason to be concerned about the competency of officiating, but must be sufficiently mature to present his objections in a professional manner. He should have a thorough knowledge of the game rules, particularly, bench conduct rules, and these must serve as guidelines for him. Voicing criticism of the officiating at game site may be

an outlet for his emotions, but it will not aid his team or contribute to better officiating.

Officials have just as much responsibility as do coaches. Athletic contests mean much to high school youth and a well officiated game contributes toward the educational and recreational values of them. The official who knows the rules, enforces them consistently, is fair in his judgment and is also emotionally mature, will contribute to the sportsmanship at athletic events.

Officials who do not put forth their maximum effort (hustle) and who are inclined to lose emotional control, when a coach or player commits an unsportsmanlike act, may himself also be contributing to poor sportsmanship. Such remarks as, "You do the coaching, I'll do the officiating," are completely out of place when made by an official. One who is in position to adjudicate the actions of others, is expected to avoid loss of emotional control. Retorts from officials do not help solve any problems or help prevent misconduct.

When coaches and officials show mutual respect, this contributes significantly to the most worthwhile objectives of interscholastics. When both assume their equal share of responsibility, interscholastic contests will provide more benefits for high school boys and girls.

basket interference by B2. Omission is discovered by the score keeper and recognized by the referee during the half time intermission.

RULING: Score should be corrected. This error is not due to the inadvertent setting aside of a rule, but is due to a mistake in record keeping. When there is a discrepancy in the score and the referee is positive he knows what the mistake is, he can correct it as provided for in 2-11.

4. **PLAY:** After a field goal by B1, the score is A-61, B-60. A1 has the ball out-of-bounds for a throw-in with four seconds remaining in the game. A1 holds the ball. (a) B2 crosses the boundary line and holds A1; or (b) B2 reaches through the out-of-bounds plane and slaps the ball from the hands of A1. Time expires close to the moment the official indicates the infraction.

RULING: Delay of game. Technical foul is charged to B2 in both (a) and (b). The time remaining to play is in no way a factor. (2-8).

COMMENT: It has been reported that in some similar situations the official has issued a warning to B2. The circumstances do not permit a warning. The infraction is a technical foul and it should be called whenever it occurs during a ball game without regard to time. If the player making the throw-in (A1) reaches through the out-of-bounds plane into the court and B1 then slaps the ball from the hand of A1, without B1 breaking the plane above the out-of-bounds line, A1 has committed a violation. B1 has merely slapped a dead ball from the hands of A1.

5. **PLAY:** A team has reached the bonus situation, but due to an error following a common foul, the officials give the ball to A1 out-of-bounds instead of awarding A a bonus free throw situation. The throw-in by A1 is caught by A2 who dribbles the ball. During or following the dribble, the table recognizes the error and the horn is sounded.

RULING: On the basis of application of the rule, the error was committed while the ball was dead and after the ball has become alive on the court, the correction cannot be made.

COMMENT: This is the interpretation we indicate in our publications and through the written word when we are conducting an interpretation meeting. If we are talking to an experienced official, we will point out there is a matter of time involved, but the involvement of time requires a very fine judgment and some skill on the part of the official. If the official recognizes the error regardless of how it might be done within a second or two after the ball has become alive, he can if the circumstances are appropriate, declare the ball dead and indicate he really recognized the error while the ball was dead, but due to a lag of blowing the whistle, the whistle was not sounded immediately. He can then indicate he recognized it and intended the ball remain dead, he can then give the correct penalty. Even to the experienced official, we point out that to do this, of course, he must acknowledge that his whistle was slow in sounding to prevent the ball from becoming alive. Of course, circumstances will determine whether he should do it. If the ball has been alive for four or five seconds, there is undoubtedly no way he can make the correction and justify it in accordance with the rules.

6. **PLAY:** A1 and A2 are each wearing number 34 and it is so entered in the score book. This duplication is discovered by an official (a) three minutes before the game starts; or (b) after the game starts.

BASKETBALL EARLY SEASON QUESTIONS

(Continued from Page Three)

detect the infraction and it is noticed by the scorer, he may call it to the attention of the official. When this error occurs and it is not penalized immediately, it may be corrected provided it is "recognized before the ball becomes alive following the first dead ball after the error."

3. **PLAY:** Scorer fails to record two points awarded to Team A during 1st quarter as a result of

RULING: In both (a) and (b) a technical foul is charged to one of the wearers and he must change to a shirt which has a legal number which is not duplicated. A duplicate number is penalized whenever it is discovered after 10 minutes before the game is scheduled to start.

7. **PLAY:** Before the bonus is in effect, A1 commits a common foul by holding B1. During the throw-in by team B, B1 pushes A3.

RULING: False double foul. The ball is put in play by a jump at center. Because the bonus rule is not in effect, no free throws are awarded. Team B has the ball when B1 fouls, thus the foul by B1 is not advantageous and not interpreted to be intentional.

8. **PLAY:** B1, whose team is in the bonus, holds A1. A1 is successful in both free throw attempts. While B3 is making the throw-in from behind the end line, A3 pushes B4. Team A is or is not in the bonus situation.

RULING: In either case, the foul by A3 is interpreted to be intentional. Because the foul by A3 creates a false double foul causing the ball to be put in play by a center jump, it takes the ball away from team B. To this extent, the foul by A3 causes an advantageous jump ball for A. Thus, as based on the intentional false double foul principal, the foul by A3 is interpreted as intentional. This is an extension of the philosophy as embodied in Case Book situation 305B established several years ago to eliminate the possibility of fouling to create a false double foul and thus gain an advantage.

9. **PLAY:** What guide lines should be exercised by the officials when spectators' actions are such that they interfere with the administration of the game?

RULING: In response to the question "Who is responsible for the behavior of the spectators, the rule books states "the official may call fouls on either team if its supporters act in such a way as to interfere with the proper conduct of the game." It is significant to note the word used is "may". This gives permission, but does not in any way imply that the officials must call fouls on team followers or supporters. The word "may" was selected with care. Thus, while officials do have the authority to penalize a team whose spectators interfere with the proper conduct of the game, this authority must be used with extreme caution and judiciousness. While the authority is there, an official will almost never use it because experience has demonstrated that calling technical fouls on the crowd does not accomplish the purpose for which the call was intended. The spectators, already in an antagonistic mood, almost always react negatively when a technical foul is called on them. The calling of such a foul causes the followers of the penalized team to go to greater lengths to display their disapproval of the officiating, or the opponent.

COMMENT: In the final analysis the responsibility of the behavior of spectators is that of the game committee or management. This is specifically covered in the rule book which stipulates that insofar as the management can reasonably be expected to control the spectators, it is its responsibility to do so. First of all, the management has the responsibility of providing a site where the game can proceed in a sportsmanlike manner. The official is not responsible for this aspect of the contest or for assuming the duties of management. If the conduct of spectators or a spectator pro-

hibits the orderly continuance of a game, the official invariably uses his best judgment by having a representative of game management take whatever action is advisable and necessary. This may require the removal of team followers or a team follower, or the clearing of the court of coins, debris, ice, or paper before the contest is permitted to continue. If the disruption is not brought under control and the contest cannot continue, rather than assess technical fouls, the official is advised to suspend or forfeit the game. This action is taken only as a last resort.

10. **PLAY:** During: (a) field goal try; (b) free throw try; or (c) throw-in the ball lodges in a basket support or between the basket rim and the backboard.

RULING: As provided by the rule, the ball becomes dead as soon as it becomes stationary in either (a) or (b). In (c) the ball was dead during the throw-in and therefore, it remains dead. Immediately after the official has judged the ball to be lodged, he shall sound his whistle indicating it has become dead or is to remain dead. In (a) and (b) play will be resumed by a jump ball between any two players at the near free throw circle unless in (b) the free throw was the first of two awarded attempts. In (c) the ball is awarded out-of-bounds at the previous throw-in spot for a throw-in.

1973-74 Wrestling

Early Season Questions

(Continued from Page One)

foot on the mat between the lower legs of B1. In (b) A1 on the left side of B1 places his left knee on the mat beside the lower leg of B1 and his right foot on the mat behind the feet but beyond the right side of B1.

Ruling: The position of A1 (a) is illegal due to the placement of the right foot. The foot may be behind B1 but must be outside the line described by the feet of B1. In (b) the position of A1 is legal. A1 must have one knee or foot on the mat to the outside to the near leg but not touching the defensive wrestler. A position described in (b) even though A1 is behind B1 is legal.

8. Situation: In the starting position on the mat B1 assumes his position with his knees on the mat approximately shoulder width apart and his feet together behind him so his lower legs are in an angle to the plane of his side. When he is stationary, the referee motions for A1 to take his position.

Ruling: Once the defensive wrestler is stationary on the mat in his starting position, the referee shall indicate to the offensive wrestler he is to assume his starting position.

9. Situation: Following an out-of-bounds, the wrestlers return to the center of the mat to assume their starting positions. B1 is on all fours, his hands are in front of the starting line and his knees in contact with the rear starting line. A1 is to the left of B1 and B1 has tucked his lower left leg towards his right leg. When the referee signals, A1 moves to the right side of B1 to take his starting position. When A1 moves to the opposite side, B1 adjusts his position so that his right leg is tucked under the left leg. The referee cautions B1 to remain stationary.

Ruling: The action by B1 constitutes a false start. He is allowed one caution before being penalized. If this were the first offense, the caution was proper and wrestling will continue immediately.

Comment: Once the defensive wrestler has assumed his starting position on the mat, he may not change it. The offensive wrestler is not required to take his position until the defensive man has assumed his. The referee will indicate to the offensive wrestler he should assume his position when the defensive man is stationary. Any movement by the defensive man between the referee's direction and the signal to resume wrestling is a false start.

10. Situation: Following an out-of-bounds, A1 is in the advantage position and straggles back to the center of the mat where he adjusts his equipment in an attempt to gain a momentary rest. He has not received verbal caution in the starting position. Referee declares this act delay of the match and awards 1 match point to B1.

Ruling: The verbal caution prior to penalizing for a technical violation applies only to the starting position. In this situation, it is a technical viola-

tion by A1 and there is no verbal caution required.

11. Situation: In assuming the starting position on the mat (a) B1 changes his position just as A1 is taking his offensive position; or (b) A1 continues to adjust equipment after the referee indicates he should assume his final starting position.

Ruling: In (a) following a verbal caution and in (b), the wrestler using delaying maneuvers will be penalized for delay of the match. This is a technical violation which is not preceded by a warning.

Comment: The verbal caution by the referee is required. This may take several forms. For instance, when the referee directs the contestants to assume their starting positions without delay, it is a type of caution. He may indicate to the offending wrestler he is expected to assume the starting position immediately and remain stationary until the signal given to start the match. The verbal caution is not intended to be a threat to the wrestlers but simply a reminder that they have an obligation to assume their starting positions without delay and be ready to wrestle on the whistle.

12. Situation: From the starting position on the mat, B1 quickly stands up and: (a) strips the hands of A1 then turns to face A1; or (b) starts toward the edge of the mat, strips the hands of A1 and is more than an arm's length away with his back towards A1 as B1 goes off the mat; or (c) moves toward the edge of the mat and strips the hands of A1 just as B1 crosses the boundary line.

Ruling: In (a) B1 has escaped and will be awarded one point. In b) it may be possible for B1 to gain an escape in this situation provided A1 does not follow up and try to maintain his advantage. If in the referee's opinion, B1 uses the boundary in order to stop wrestling after he stripped the hands of A1, there would be no change. In (c) there has been no escape and wrestling will be resumed with the contestants in the same position following the out-of-bounds.

Comment: In the definition for an escape, there is no requirement that the defensive man face his opponent following his successful attempt to break free, even though this is used as a guideline. Officials must use careful judgment in determining when the offensive man loses control of his opponent. In the vast majority of cases, the defensive man will immediately turn to face his opponent when gaining an escape.

13. Situation: At the end of a tournament match, the score is 7-6 and A1 is declared the winner. While reviewing the score card with B1 in the locker room, the coach of B notices that only 2 points were awarded for a near-fall earned by B1 in the 2nd period when there should have been 3 points awarded. This fact is acknowledged by the referee. The change in points would result in a draw.

Ruling: Because the wrestlers had left the mat area, no correction may be made.

14. Situation: Following the 126 lb. match in a dual meet, the indicated score is 6-5 in favor of A1. The coach of B contends there was an error in awarding penalty points for an illegal hold in the 3rd period which was the 3rd penalty. He directs B1 to remain on the mat while he discusses this with the referee. The error is verified.

Ruling: This is proper procedure if an error may have been made. In this instance, the awarding of an additional point to B1 caused the match to end in a draw. During a dual meet, the error must be corrected prior to the start of the next match.

Comment: These two situations are intended to illustrate the change which limits the time interval following a match when an error may be corrected. Because errors happen only infrequently, the rules committee believes the correction should be made as soon as possible following an error so the final results of the match may be immediately known. The time limits are varied depending upon whether it occurs during dual meet or tournament. In dual meets the next match may be delayed until an error has been resolved. However, if an error were to occur during a tournament match, and the interval for correction were limited to the beginning of the next match it would be impractical because matches are being conducted on more than one mat. Once the next match starts in dual meets, or once the questioning wrestler has left the mat area during the tournament, the possibility of correcting the error or team score has passed.

15. Situation: From a neutral position A1 executes a duck-under and moves to a controlled standing position behind B1. In an effort to take B1 to the mat, A1 grasps one leg of B1 so that B1 is supporting his weight on his hands and one leg as both contestants go out-of-bounds. The referee indicates a neutral position, A1, believing he had secured a takedown, indicates his displeasure at the call.

Ruling: This is a technical violation for misconduct by A1. The referee will penalize without warning by awarding B1 one point.

16. Situation: During the final championship match in the 167 pound class during an invitational tournament, A1 strikes B1. The referee stops the match, disqualifies A1 and awards the match to B1.

Ruling: The championship will be awarded to B1 and one point will be deducted from A's team score. There will be no second place winner in the 167 pound class because A1 was disqualified. However, team A will be awarded all the advancement and fall points earned by A1 up to the time of his disqualification.

17. Situation: During a dual meet: (a) B1 wrestling in the 138 pound class, baits A1 and when he retaliates near the boundary then shoves A1 off the mat; or (b) teammate B2 continuously berates the official's decision.

Ruling: In (a) B1 will be penalized for abusive conduct by the deduction of one team point. In the action by B2 in (b) is penalized by the deduction of one team point on the first offense and if he were to continue this type of action, B2 would be removed from the premises on a second offense.

Comment: The foregoing three situations were designed to illustrate the progression of penalties from minor acts of misconduct to flagrant unsportsmanlike conduct. The advisory and rules committees are firm in their belief that specific action is necessary in order to eliminate all types of unsportsmanlike conduct from interscholastic wrestling. During the match it is possible for a wrestler to be penalized for more than one type of undesirable conduct depending upon the severity. The revision requires unacceptable conduct be penalized without warning.

18. Situation: With the wrestlers starting from a neutral position, A1 is successful in grasping one leg of B1 who counters using a whizzer. The referee extends both arms sideways moving his hands with the palms down to indicate no advantage.

Ruling: This is the correct signal by the referee. This signal was inadvertently omitted from the signal chart.

Minutes of Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at the Kentucky High School Athletic Association building, Lexington, on Friday afternoon, December 21, 1973. The meeting was called to order by President Frank Simpson at 1:30 P.M., with Board members J. C. Cantrell, J. Thomas Creamer, Howard R. Crittenden, Andrew J. Fultz, Arthur R. Hawkins, Louie Martin, W. P. Wheeler, James R. Williams, and Roy Winchester; Commissioner J. B. Mansfield and Assistant Commissioners Tom Mills, Louis Stout and Billy Wise. Mr. Wilbur Smith represented the State Department of Education. The invocation was given by J. C. Cantrell.

Roy Winchester moved, seconded by Jim Williams, that the reading of the minutes of the October meeting be waived since the members of the Board had received copies of these minutes. The motion carried unanimously.

Commissioner Mansfield presented the following eligibility cases for Board consideration:

1. Mike Newsome and Larry Daugherty, students at McDowell High School who are ineligible under By-Law 6, Section 1, Transfer of First Team Competitor. Based on information presented by the principals of both schools involved, Louie Martin moved, seconded by J. C. Cantrell, that the eligibility of both students be restored. All members voted aye.

2. Barry Wayne Leach, a student at Ohio County High School, is ineligible under By-Law 5, Section 4, Preceding Semester Enrollment. Based upon information received from Prin. Shelby C. Forsythe, Jr. and a statement from the attending physician, W. P. Wheeler moved, seconded by Howard Crittenden, that the eligibility of this student be restored. All members voted aye.

3. William Jeffrey Wesley, a student at Casey County High School, is ineligible under By-Law 6, Section 1, Transfer of First Team Competitor. After hearing the facts in this case, the Board did not take action to restore the eligibility of this student.

4. Danny Kilburn, a student at Dilce Combs Memorial High School, will be ineligible after the current semester because of By-Law 5, Section 1, Maximum Number of Semesters. The Board declined to take any action in the case.

5. Vincent Allgeier, a student at Durrett High School, is ineligible under By-Law 6, Section 1, Transfer of First Team Competitor. Following a discussion of information presented, the Board failed to take action to restore this student's eligibility.

6. Paul Smith, a student at Hazard High School, is ineligible for a period of thirty-six school weeks under By-Law 6, Section 1. The Board confirmed action of the previous meeting by refusing to take action to restore this student's eligibility.

Assistant Commissioner Tom Mills reported that due to the inclement weather, the 1973 Foot-

ball Championship Playoffs were not as successful as they had been in the past. Total receipts of the final games were \$30,081.80 with approximately \$9,100.00 in expenses. The expenses did not include the Board grant for incidental expenses.

There was a discussion concerning the amount of money for incidental expenses which should be allotted to each of the six finalists in the football playoffs. Arthur Hawkins moved, seconded by Howard Crittenden, that each finalist in the football playoffs be awarded a grant of \$500.00 for incidental expenses. This is in accordance with Item IV, Section C, of the Rules and Regulations Governing Football Championship. The motion carried unanimously.

Committee Chairman Jack Fultz reported on the meeting of his committee to study the possible changes in the football alignment for the 1974-75 school year. He stated that after much thought and consideration, it was the recommendation of the Committee that no changes be made for the 1974-75 school year, but that further study be given to possible changes for the two year period following the 1974 season. The classifications are set up each time for a two year period and the Committee declined to make changes in the middle of the period. Other members of this Committee are Board members Louie Martin, Jim Williams and Tom Creamer.

Tom Mills then reported that the second State Tournament in Soccer was held in Louisville during the week of November 5 with sixteen teams participating. The tournament was won by St. Xavier for the second year in a row. Total receipts from the tournament were \$1,602.84, with expenses totaling \$1,047.00. Mr. Mills stated that it may be necessary to set up regional tournaments in the very near future if interest in Soccer continues to increase at the present rate.

The next item of business was setting the fee for basketball tournament officials. Commissioner Mansfield recommended the following: \$30.00 for District officials, \$35.00 for Regional officials and \$40.00 for State Tournament officials. In addition to this, officials would be paid 10¢ per mile for travel expenses and \$10.00 should they be required to stay overnight. J. C. Cantrell moved, seconded by Louie Martin, that the recommendation of the Commissioner be approved. The motion was carried unanimously.

Commissioner Mansfield then discussed several items concerning the 1974 State Basketball Tournament with the Board. He explained that the rental fee on Freedom Hall will be \$14,000.00, that WAVE-TV will probably telecast the last two sessions as in the past, and that the teams and cheerleaders will be assigned to stay at various motels in the Louisville area.

The Commissioner read a letter from the Principal of Campbellsville High School, Mr. R. Brooks Bates, requesting that Campbellsville be assigned to another district in football for 1974. The Board

Minutes of K.H.S.A.A.**Swimming Committee Meeting**

The K.H.S.A.A. Swimming Committee met at the Plantation Club, Louisville, January 5, 1974. Present were Chairman Jack Thompson, Commissioner J. B. Mansfield, Assistant Commissioner Louis Stout, Debbie Reed and Earl Browning.

The Committee recommended that the National Federation Swimming and Diving Rules be used in 1975. The only difference for Championship Meets is that the 400 Yard Freestyle will be increased to 500. (This year the 400 Yard will be retained.)

All information on both meets will be mailed from the Commissioner's office. Requests should be addressed to Assistant Commissioner Louis Stout.

The cut off times for the 200 Yard Freestyle and the 400 Yard Freestyle were set.

Medals will be awarded for the first three places and ribbons for fourth through twelve.

Messrs. Earl Browning and Dan Lichty will handle the press release for Classes AAA and AA respectively. Mr. Thompson has the application cards for All-American honors.

The manager for all meets will be Mr. Jack Thompson, 2347 Saratoga Drive, Louisville, Phone 454-4585 or 452-9255.

ATTENTION, Wrestling Schools

The Hardin County Wrestling Region will be held at the West Hardin High School, Stephensburg and the site of the East Jefferson Region will be the Waggener High School.

State High School**Basketball Tournament Information**

The 1974 State High School Basketball Tournament will be held in Freedom Hall, Kentucky Fairgrounds and Exposition Center, Louisville, on March 13-16. The first session of the tournament is scheduled for Wednesday afternoon. There are two sessions for each of the days, Wednesday, Thursday, Friday and Saturday.

On or after February 1, 1974, State Tournament Ticket Sales, P. O. Box 7502, Lexington, Kentucky 40502, will accept mail orders for complete sets of tournament tickets. These orders will be filled after the schools have received the tickets allotted to them under the plan of distribution set up by the K.H.S.A.A. Board of Control. The school orders will take all the box seats on the sides, all the chair seats below the boxes and chair seats in the center chair sections.

The prices of tickets per set (8 sessions) are as follows: end box seats, \$32.00; chair seats, \$24.00; bleacher seats, \$16.00. Each order must include a remittance of 25¢ for postage and insurance on the tickets, and checks should be made payable to State Tournament Ticket Sales. Orders for individual session tickets will be accepted during the February 15-28 period, and should not be included with orders for complete sets of tickets mailed prior to that time. Tickets available for individual session tickets will be chair seats at \$3.00 a session and bleacher seats at \$2.00. An over-the-counter sale will begin at Freedom Hall on March 5 and continue through the tournament.

BOARD MINUTES

(Continued from Page One)

declined to act upon this request inasmuch as the two year classification period has another year before expiration.

Mr. Mansfield then read a letter from Mr. Buford Horton, Superintendent of the Estill County Schools, requesting that the Board reimburse Estill County High School \$500.00, this being the amount he says they lost when the football game between Estill County and Rockcastle County High School was postponed because the officials failed to show up. Mr. Mansfield was instructed to inform Mr. Horton that the Board was in sympathy with him, but that this was simply a mistake on the part of the Assigning Secretary that could not be helped and that the Board had no provisions for honoring a request of this nature. Such a precedent could become disastrous.

The Commissioner then read a letter received from Dr. Guy Potts, Superintendent of the Fayette County Schools, concerning problems in athletics his schools are facing as a result of the energy crisis. The Board discussed the possible effects that continued shortages may bring about in athletics.

Jack Fultz moved, seconded by Roy Winchester, that all bills of the Association for the period beginning October 1, 1973, and ending November 30, 1973, be allowed. The motion was carried unanimously.

The next meeting of the Board of Control was scheduled for Friday, January 25, 1974, at 2:00 P.M. in Louisville.

There being no further business, the meeting adjourned.

1973-74 Basketball Early Season Questions Installment I

(Continued from December ATHLETE)

11. **PLAY:** The official has designated A1 to make a throw-in. (a) A1 makes the throw-in while A2 was standing out-of-bounds at the throw-in spot or; (b) after the ball has been at the disposal of A1, A2 takes the ball and makes the throw-in.

RULING: Violation in both (a) and (b).

COMMENT: The addition to this year's code (9-3-h) covers situations involving throw-ins for which a thrower-in has been designated by the official. The administration as given in the ruling above is in accordance with the new coverage. It is an addition to the previous coverage and applies only to action in close proximity to the throw-in spot and only those situations involving a throw-in. The additional coverage does not in any way affect the previous rulings for Rule 10-A-6(h) and (i). The coverage of Rule 10-A-6(h) and (i) continues to be applicable in situations in which a player leaves the court to confuse opponents, or to avoid a screen, or to evade a defensive player, or for a similar purpose. These infractions, as has traditionally been the case, are penalized with a technical foul. The new coverage in 9-3-(h), is applicable only to throw-in situations. Of course there can be a throw-in situation which is penalized with a technical foul. For example, if a player is unsportsmanlike after the official has designated a thrower-in, or there is a delay, or if players use the situation to deceive the opponents, the penalty is a technical foul.

12. **PLAY:** A1 (7 ft. tall) has one foot on or inside the half of the jumping circle which is far-

thest from his own basket and has his other foot on or outside the restraining circle.

RULING: This is a violation by A1 for not having feet within the restraining circle.

13. **PLAY:** Team A sets up a double screen for A1. A1, in attempting to come across the free throw lane is legally obstructed by offensive and defensive player so that A1 leaves the court under the basket, out of bounds, circles around and returns back into the court and then receives the ball.

RULING: Technical foul is charged to A1 for leaving the court for an unauthorized reason. Whether he receives the ball has no bearing on the decision.

14. **PLAY:** Team A requests a time out prior to the start of the (a) second half or (b) second or fourth quarter.

RULING: The request should be granted in both (a) and (b).

15. **PLAY:** A1 receives a tap from center while both his feet are off the floor. He comes to the floor on one foot in the front court with the ball in his control and he then leaps from one foot and comes to the floor in a stride jump stand with both feet simultaneously in the back court.

RULING: Legal return.

16. **PLAY:** Team A scores a field goal. Team B requests and is granted a charged time-out.

RULING: When the time-out is over, Team B may make the throw-in from anywhere behind the endline. Team B is not required to make the throw-in from a designated spot. The fact that Team B has taken a time-out does not restrict this privilege of throwing in from anywhere behind the endline. The same applies to a time-out after a successful free throw attempt.

Failure Life's Necessity

It has occurred to us nothing in our times may be more underrated than failure. We don't see failure as adding depth and richness to personal life. We don't hold failure as an antidote to the pressures of an achievement-oriented society. Instead, failure has been made to connote a permanent unfulfilled state of being.

There may be, in fact, a conspiracy against failure. In our schools, grading systems are out; pass-fail is in; and often this evolves to pass-incomplete, or pass now-pass later.

Some of us can remember with pride the day in elementary school when we moved from the reading group labeled "Dodgers," which everyone knew was the dumb group, to the "Yankees." We felt good, told Mom and Dad about it. But educators suffered pangs of conscience. "What about those who didn't advance; or worse yet, what about those who moved down from the Yankees to the Dodgers?" So schools moved to a system of heterogeneous learning groups; that is, students were no longer grouped according to ability.

The theory behind the ungraded and unranked classroom has been, if students realize failure or realize they are in slow learning environments, they become stigmatized. Then, chances of making learning progress are reduced. So allow students every opportunity to achieve and succeed, with no opportunity to be stigmatized.

Ignored in the ungraded, unranked classroom is the flip-side of the opportunity to succeed: the right to fail. Interscholastics, by preserving this right, maintains a unique place in our educational system.

There is an old adage that losing is the easy way out. It is true it is physically easier to loaf in practice and games and thereby lose. But to be the loser is not easy; it is infinitely more difficult than being the winner, especially for the person who worked diligently and sacrificed enormously in an attempt to become the winner.

Losing, or failing, makes a person pick himself up: often physically, always emotionally. It involves fighting back: sometimes against tears, usually against discouraged parents, coaches and fans and always against personal despondence. And, in reaching down to find the effort to try again, one expands the depth of his character.

In failure, one may acquire compassion for others who fail, making one a better winner in future contests. One may learn to empathize with those who appear to have failed not just in athletic or forensic competition, but in all walks of life: the family who loses its home, the man who loses his job, the mother who loses her child.

Failure is a character-building exercise of life, not a static void. To experience failure is to live, to be a part of life. Interscholastics must preserve the lessons of failure in the educational program. (National Federation)

Letter From The Commissioner

To The District Tournament Manager:

Will you please refer to your K.H.S.A.A. booklet which gives rules and regulations governing basketball tournaments. You should familiarize yourself with these rules, found on pages 31-39. Your special attention is called to the second paragraph of Tournament Rule VI-A-3, relative to the enrollment of your district coaches in the Kentucky High School Coaches Association.

The forms for your various reports are self-explanatory. The report of games should be mailed to the manager of the regional tournament not later than Monday, March 4. Send your financial report, your checked eligibility lists, and the second copy of the report of games to the Commissioner as soon after the tournament as possible. For your convenience, the following check list is given:

1. Invite member schools to your tournament AT ONCE, reminding each school to send each other member school in the district a COMPLETE preliminary list of players on or before February 1, and to send you THREE copies of a final list one week prior to the district tournament. See Rule VIII.

2. Announce the time of drawings in your letter. See Rule IX.

3. In compliance with the Federal Court Decree, all officials will be assigned by the Commission, composed of the Commissioner and the three assistants. In order that this may be carried out it will be necessary for each manager to send a copy of the bracket giving the date and time of each game to the Commissioner immediately after the drawing. After the Commission has made its selections, you will be notified concerning the assignments to your tournament. **It will be your responsibility to make the necessary contacts with the officials.**

In tournaments where two games are played per session, four officials will be assigned.

4. The following regulations for 1974 have been set by the Board: "The official shall receive a fee of \$30.00 per game and a transportation allowance of 10¢ per mile for all necessary travel. Only one mileage allowance will be paid if the officials travel in the same car. In the event it is necessary for the official to remain overnight at the tournament site, he shall be paid an additional \$10.00 per day for lodging and meals."

5. Tournament Rule XV says: "The Board of Control is authorized to select, standardize, and purchase trophies for all district and regional tournaments and the cost of these trophies shall be borne by the respective districts and regions." The Board has contracted with S. & M. Trophy Company, Louisville, Kentucky, to supply all of the official K.H.S.A.A. district first place and second place basketball trophies for the 1974 tournaments, each trophy complete with the Association seal and engraving. Your trophies will be shipped to you prior to March 1.

Minutes of Board Meeting

The K.H.S.A.A. Board of Control met at Stouffer's Inn, Louisville, on January 25, 1974, at 9:30 A.M. Present at the meeting was President Frank Simpson, Vice-President W. P. Wheeler, with Board members J. C. Cantrell, Howard R. Crittenden, Andrew J. Fultz, Arthur R. Hawkins, Louis Martin, James R. Williams and Roy Winchester; Commissioner J. B. Mansfield and Assistant Commissioners Tom Mills and Billy V. Wise. Mr. James McAfee represented the State Department of Education. The invocation was given by J. C. Cantrell.

Roy Winchester moved, seconded by Jack Fultz, that the reading of the minutes of the December meeting be waived since members of the Board had received copies of these minutes. The motion was carried unanimously.

Commissioner Mansfield gave a report of the Girls Basketball Committee which met in Lexington on January 16, 1974. The Committee was composed of fifteen members representing all sections of the state. Serving on the Committee were coaches, athletic directors, principals, and superintendents, namely: Jack Fultz, Olive Hill; Jean Daugherty, Louisville; Joan Mitchell, Covington; Ralph Dorsey, Horse Cave; Arthur Hawkins, Mt. Sterling; Minor Daniels, Louisville; Delores Redwine, Fairview; Millie Reule, Frankfort; Andy Hopkins, Lexington; Earl Duncan, Louisville. Barbara Call, President of the Kentucky Division of Girls and Women Sports, represented this group.

It was the recommendation of the Committee that a tournament series be sponsored by the Association in 1975 and that it be conducted as nearly as possible like the present plan now in effect for boys. The Committee requested that each school be polled and asked if a team would be entered in the tournament, if so, would a tournament in the late fall or in March be preferable.

The recommendations of the Committee were presented to the Board along with the results of the poll in so far as it was completed. The poll indicated that the tournament should be held in March. After considerable discussion the Board requested the Commissioner to draw up rules and regulations for the tournament following the suggestions of the Committee and the results of the poll. These will be presented to the Board at the March meeting for final adoption.

Following a discussion on possible proposals of the Board to the 1974 Delegate Assembly, J. C. Cantrell moved, seconded by Arthur Hawkins, that the Board sponsor a proposal that two superintendents be added to the Board of Control. That one be elected to represent Regions 1 through 8 and the other Regions 9 through 16. The motion passed unanimously.

Other proposals will be presented to all schools at the appropriate time.

Mr. Mansfield presented the case of two boys who are currently ineligible under the Transfr Rule to the Board for consideration. The first case pertained to Stephen Noe, student at Doss High School, and the other to William Jeffrey Wesley, a student at Casey County High School. Following a discussion the Board declined to take the necessary action to restore either's eligibility.

The Commissioner called the Board's attention to the fact that some changes would be necessary in a few basketball districts for 1974-75. The consolidation of schools will reduce the number of

schools in some districts to three. Each Board member was requested to study his section and make recommendation for adjustments at the next meeting. All other requests for changes will be considered at that time.

The Commissioner read a letter written by Ath. Dir. Elvis Donaldson, Bowling Green High School, at the request of several baseball coaches in that area. The request being that the Board of Control consider having double elimination in the district, regional and state baseball tournaments. After considering the suggestion, the Board felt that it would not be feasible to do so at this time because of the additional expense which would have to be borne by the schools. Also, the problem of inclement weather could create a situation whereas the tournaments could not be completed by the required time.

Roy Winchester moved, seconded by Jack Fultz, that beginning with the 1974 baseball season a game may be ended when, after five innings of a seven inning game, a team is ten or more runs behind and has completed its turn at bat. This is in keeping with Baseball Rule 4, Section 2, Article 2.

The Board approved a request from the manager of the 14th regional basketball tournament to hold the final game on Friday, March 1, 1974, instead of March 2, 1974. This change was made due to a conflict in the use of the facilities at Western Kentucky University.

Howard Crittenden moved, seconded by James Williams, that all bills of the Association for the month of December, be allowed. The motion carried unanimously.

The next meeting of the Board of Control was scheduled for Friday, March 15, 1974, at 9:30 A.M. in Louisville.

There being no further business, the meeting adjourned.

1973-74 WRESTLING Early Season Questions Installment II

EDITOR'S NOTE: These interpretations of the 1973-74 National Federation Wrestling Rules do not set aside nor modify any rule. They are made and published by the National Federation of State High School Associations in response to situations presented. Clifford B. Fagan, Editor, National Federation Publications

19. Situation: From a neutral position, wrestler A executes a successful duck-under and moves to a controlled standing position behind B1 near the boundary. In an effort to take B to the mat, A scissors one leg and both wrestlers contact the mat out-of-bounds.

Ruling: There has been no takedown. In order to gain a takedown from a neutral position, the wrestler must have control over his opponent, down on the mat, while the supporting points of either wrestler are inbounds.

20. Situation: From the starting position on the mat, B1 comes from underneath and gets behind A1 in a rear standing position. Afterwards, the wrestlers stumble out-of-bounds before B1 is able to control A1 down on the mat.

Ruling: B1 has gained a reversal and two points are awarded. It is not required that B1 bring his opponent to the mat in order to gain points for a

In Memoriam

William M. Falls, Sr.

William M. Falls, Sr., one of the all-time great coaches and teacher, died as a result of a car-train accident near Hopkinsville on December 13, 1973. As a coach at Hopkinsville since 1935, he was respected throughout the state and known locally for his general interest in young people as well as his coaching abilities.

Falls, a native of Davidson, North Carolina, began coaching at Attucks High School in 1935. For years Attucks was a member of the Kentucky High School Athletic League during which times he took the team to the K.H.S.A.L. State Tournament twelve times and won the championship in 1947 and 1957. The 1957 team went on to finish third in the national tournament.

Integration brought Attucks in the K.H.S.A.A. in 1957. In 1959 he took his team to the State and finished fourth.

Falls transferred to Hopkinsville High School when Attucks was discontinued where he served as assistant basketball coach. In 1966 Falls was honored at a special assembly after 29 years and his teams 500th win. On that occasion Attuck's Principal Frank Simpson, now President of the K.H.S.A.A. Board of Control, said, "He (Falls) has taught more than the game of basketball, he has taught citizenship. His teaching has gone beyond the gym." At Tuskegee Institute he lettered in track, football and basketball.

Basketball Hall of Fame

The Executive Director of the Basketball Hall of Fame, Mr. Lee Williams, urges each high school to participate in financial assistance for the operation of the Naismith Memorial. Each school is invited to participate on a modest, regular basis that would provide most welcome financial aid but would allow the name of the school to be placed on the Founders Wall. Schools desiring to make contributions may send it to this office or mail it direct to Mr. Williams, Box 175, Highland Station, Springfield, Massachusetts 01109.

Letter from Commissioner

(Continued from Page One)

6. It is the responsibility of the tournament manager to secure adequate police protection.

7. THE BOARD OF CONTROL HAS RULED THAT NOT MORE THAN TWELVE PLAYERS MAY BE IN UNIFORM FOR ANY ONE TOURNAMENT GAME, AND THAT OTHER SQUAD MEMBERS NOT BE ALLOWED TO PARTICIPATE IN WARM-UP EXERCISES, THIS IMPLIED IN TOURNAMENT RULE XI.

8. Please ask your officials to designate the goals prior to the warm-up time for each game.

9. You will receive three copies of a final eligibility list from each school. Have one of these checked by the coach of each competing team, before his team plays, for the twelve players he will use in each game. Use only one list for checking players on each team since the other two copies may be needed by the regional and state tournament managers. Send the Commissioner all of these checked copies with your other reports. Send the two unchecked copies of eligibility lists of the winner and runner-up to the manager of your regional tournament, along with one copy of your report of games, not later than March 4.

10. It has been ruled that the 2:00 o'clock mentioned in Tournament Rule IV-B may be considered Eastern Daylight Time or 1:00 P.M. Central Daylight Time. This information concerning the starting time of the regional meeting should be given to your winner and runner-up.

11. Send Secretary Ohr of the Kentucky Coaches Association the list of district coaches to be enrolled in his organization and remittance for these, and send the Commissioner the various reports mentioned above as soon as possible.

12. Tournament Rule VI-A-3 provides that the district representative to the annual meeting may be allowed for expenses an amount not to exceed \$75.00. Since this is a maximum and not necessarily a fixed amount, the delegate should be asked to submit an estimate of the cost of his

Robert P. Forsythe

Robert P. Forsythe, 56, died on October 12, 1973. Bob was born on August 20 at Benton, Kentucky. He graduated from Hughes-Kirk High School and earned his B.S. and M.A. degrees at Western. After teaching in Muhlenberg County for four years, he taught and coached in Daviess County for one year before entering the Army as a private in 1942. He was discharged in 1946 as a captain. Following six years teaching at Central City, he was elected superintendent of Greenville City Schools, then Muhlenberg County and Caldwell County before going to Dawson Springs in July 1966 in the same position.

Mr. Forsythe was an outstanding football and basketball official. He officiated in the State Basketball Tournament a number of times and referred numerous college games. The principals of the member schools in Section I elected him Director on the K.H.S.A.A. Board of Control in 1955 and re-elected him in 1959.

Mr. Forsythe was married in 1942 to Miss Clara Westerfield. In addition to Mrs. Forsythe he is survived by two sons, Captain Preston Forsythe, Fort Hood, Texas, and Noel Forsythe, Radcliff.

Wrestling Early Season Questions

(Continued from Page Three)

reversal. A reversal may be earned while in the standing position and two points are awarded B1 as soon as he goes behind A1 in a controlled situation.

Comment: The two foregoing situations are designed to illustrate the differences between a takedown and a reversal as related to a wrestler controlling his opponent in a rear standing position. A takedown may not be awarded until the aggressor has his opponent down on the mat, that is, the opponent's knee or knees must be touching the mat beyond reaction time. This is not a requirement for gaining a reversal.

21. **Situation:** A1 has his opponent in a pinning situation near the edge of the mat. As A1 turns the

torso of B1 away from the boundary, B1 moves so that the lower part of his body is outside of the wrestling area. The supporting parts of A1 remain inbounds as do the shoulders of B1.

Ruling: Wrestling shall continue as long as the shoulders of B1 are within the inbounds area. Near-fall points may be earned in this situation. If either shoulder of B1 touches the boundary line or extends outside that line, wrestling will continue.

Comment: The purpose of the present wording of the out-of-bounds rule is to accommodate this particular situation. It permits wrestling to continue so long as the supporting parts of one wrestler are inbounds. An offensive wrestler who has his opponent in a pinning situation near the boundary is not forced to break the hold, and thereby lose that advantage when his opponent goes out-of-bounds.

22. **Situation:** At the beginning of the second period, wrestler A, in the defensive position, places his knees on the mat in contact with the rear starting line and the heels of his hands on the mat ahead of the forward starting line, so that: (a) his hands are spread approximately 4 feet apart; or (b) his hands are placed so that the thumbs are together; or (c) his hands are placed so that the tips of the fingers are pointing toward each other.

Ruling: Legal positions in (a), (b) and (c) provided the defensive wrestler's elbows are not touching the mat. The requirement is that the hands be placed ahead of the forward starting line. There is no other specific placement required by rule.

23. **Situation:** Wrestler A applies a false cradle so that one of his arms is under B's shoulder blade. A tips B so that one of B's shoulders is touching the mat and the other is near the mat.

Ruling: A may be awarded points for a near-fall even though it is not possible to pin B with this false cradle. Because one of B's shoulders is in contact with the mat and the other in an angle of less than 45 degrees to the mat, regardless of the fact that one of A's arms is under that shoulder, A may gain near-fall points. The criteria for a near-fall have been met.

24. **Situation:** A1 controls B1 in a pinning situation and: (a) both shoulders of B1 are stopped within 3 inches of the mat; or (b) one shoulder of B1 is on the mat and the other within 30 degrees of the mat. The referee begins a visual hand count in both (a) and (b).

Ruling: When the referee begins the visual hand count, he has, in effect, announced that A1 has earned two points for a near-fall in (a) and (b). If an additional point is to be earned, A1 must control his opponent so that the criteria for a near-fall are met, uninterrupted, for 5 seconds. The referee is solely responsible for determining whether the criteria have been met for the required length of time.

Comment: While it is desirable the visual hand count be used, it is acknowledged there are some situations in which the referee will be unable to so signal because of the necessity for him to move quickly from one side of the wrestlers to the other, in order to be in a position to observe that the criteria are being met. Under these conditions, the referee will be unable to start the visual hand count thus indicating two points have been earned and that the offensive man is working for a three point near-fall.

25. **Situation:** At the beginning of the second

Wrestling Early Season Questions

(Continued from Page Five)

period, the referee gives wrestler A the choice of position and the choice should have been given to wrestler B. Wrestler A chooses the offensive position and shortly thereafter, pins wrestler B.

Ruling: This is not a correctable error regardless of when it was discovered. There is no provision for permitting the match to be re-started in this situation. The rules do provide for restarting the match when the wrestler is placed in the wrong position at the beginning of the third period.

26. **Situation:** In the second period of a match, A1 gasps for breath and requests a time-out which is granted. While his coach and team trainer are attending him at the side of the mat, he is given special medication to relieve his congestion. It is explained that he is asthmatic and unable to wrestle a full match without medication.

Ruling: A1 must be disqualified and the match awarded to his opponent by default. The use of special medication to relieve pre-existent conditions will cause the offending wrestler to be disqualified.

27. **Situation:** During a closely contested match, the coach of team B becomes abusive. His conduct is such that the referee requests he be removed from the gym and 1 team point deducted. Following the end of the match, the referee purposely delays signing the scorebook and waits at the official's table until the coach returns to the gym to take care of his post-meet obligations. At that point the referee deducts an additional team point.

Ruling: The referee was in error. There is no provision authorizing him to penalize a team for unsportsmanlike conduct after the meet has been completed. He was correct in deducting a team point and asking the coach to be removed for the abusive conduct during the match. There is, however, no double penalty for this infraction.

28. **Situation:** During a dual meet, a match ends with the score 6-4. B1 is the apparent winner and: (a) A1 refuses to participate in the end-of-match

procedure; or (b) A1 strikes B1 after the match is over and goes directly to his team bench.

Ruling: In (a) there will be one team point deducted from team A's score and team B will receive 3 points for the decision earned by B1. In (b), the act by A1 is flagrant and will be penalized by disqualification of A1 and one point will be deducted from team A's score for unsportsmanlike conduct. Team B will be awarded 6 points because of the disqualification of A1.

29. **Situation:** During a tournament match, the coach and manager of team A occupy the chairs reserved for such use in the restricted area. As the match, which is closely contested, progresses, the assistant coach of team moves into this area. When he notices this, the referee notifies the coach of A that only two persons may be in the restricted area. There is no movement on the part of any of the three team attendants to vacate the area as the referee returns to the center of the mat to re-start the match.

Ruling: This constitutes unsportsmanlike conduct, and the referee will deduct one team point from team A's score. There is no warning prior to this penalty. The rules clearly explain that only two attendants may be in the restricted area during tournament competition. Failure to comply with the referee's instructions constitutes unsportsmanlike conduct.

30. **Situation:** During a tournament in which mat judges are being used, those judges remain seated opposite the red and green arcs and near the edge of the mat.

Ruling: The positions described are proper when beginning the match. However, in order to best accomplish their purpose, the mat judges are authorized, in fact, encouraged to move along the mat edge in order to observe significant action. The use of mat judges is designed to minimize human error and assist the referee. It is not possible for mat judges to observe all of the action when seated in one spot. Mat judges are not authorized to be in the inbounds area during the match.

31. **Situation:** In a tournament mat judges are being used in the finals. During the 138-pound match with the wrestlers near the boundary, one mat judge observes a full nelson which cannot be observed by either the referee or the mat judge. He stands and gives the signal for an illegal hold. The referee glances at him and the other mat judge who is not standing and does not stop the match.

Ruling: The referee is in complete control of the match in progress. If only one match judge stands and the referee does not believe there is any questionable situation existing, he is not required to stop the match.

Comment: The mat judge's authority during a given match is limited. The use of mat judges is intended to assist the referee in administering the rules. The procedure for mat judges calling the referee's attention to a situation is also limited. In the foregoing, the referee should have stopped the match when one mat judge gave the signal for an illegal hold, if he were not in a position to observe such an infraction. This decision to stop the clock rests solely with the referee.

32. **Situation:** During a tournament, mat judges are being used in the championship finals. At the end of the championship match at one weight, the score is tied, and an overtime is necessitated. Is it required that two judges be assigned to observe the overtime?

Ruling: No, the mat judges will serve as overtime judges. These men will serve in the dual capacity during the overtime.

Comment: When mat judges are being used during tournament championship or consolation championship matches they will serve as judges during overtimes to assist the referee in determining superior wrestling ability, should the overtime end in a tie. These men will also assist the referee in administering the rules during the overtime. However, when mat judges are not being used and an overtime requires the use of judges, these men do not have authority to serve as mat judges. Their responsibility is limited to judging the overtime only. In this situation, they do not have authority to assist the referee in the administration of the rules.

33. Situation: During a tournament, team A expresses a desire to: (a) film matches using 16mm movie film; or (b) video tape. The coach of team A explains that he wishes to record the action of his wrestlers for review during the practice the following week.

Ruling: Except as authorized by individual state high school associations, filming tournament matches is prohibited in both (a) and (b). In the situation described, the state high school associations would probably authorize such filming because it is not to be used for coaching purposes during the tournament in progress.

FILMS

(Continued from Inside Cover)

The fundamentals and finer points of infield play at first and third bases are illustrated by big league players. Fielding, stance, throwing, tagging runners, etc., pictured often in slow motion. Sponsored by A. G. Spalding Co., the American and National Leagues.

The K.H.S.A.A. Is

There seems to be a misconception in some areas, as to the purpose, the structure, the duties, and powers of the Association. Frequently it is said by the news media, laymen and sometimes school people that the "K.H.S.A.A. said" "the K.H.S.A.A. did not." and "the K.H.S.A.A. will not." What does this mean? What is the K.H.S.A.A.? The inference of such statements is that the Association is a small group of individuals at the top, imposing and dictating their policy to all involved in interscholastic athletics. Nothing is further from the truth.

In 1917 a group of educators met to discuss the growing problems of athletics. The eighteen schools represented were the charter members of the K.H.S.A.A. Since that time the number has increased to include all the accredited high schools. In 1936-37 there were 572 but consolidation of schools has caused the number to decrease to 329 in 1973-74. The Constitution and By-Laws adopted at that time stated its object shall be the development, regulation and purification of the athletic activities in this state.

The authorization for the Association's existence is K.R.S. 156.160. It states in part "No individual should represent a school in games, meets or tournaments unless the activities are conducted by appropriate secondary school authorities and the Kentucky High School Athletic Association." Resolution of the State Department states that no school shall engage in interscholastic athletics unless it is a member of the Association. A Federal Court Decree in 1971 indicated that the Association was accountable to the State Department of Education. The assets of the Association belong to the member schools as indicated in the Constitution as to their disposal if the Association should be dissolved. The State Superintendent of Public Instruction's representative is present at meetings of the Board of Control.

The structure of the Association has not changed, in general, since its inception. Each school joins the Association annually through its principal. The Constitution and By-Laws are determined by a Delegate Assembly at an annual meeting. This group is composed of one representative for each of the sixty-four basketball districts, each delegate being elected by the principals of the schools in the district.

The Constitution provides for the creation of a Board of Control composed of eight principals and two blacks, who are certified employees of a Board of Education. The Directors are elected by the principals and can serve only one four year term. Each of the eight principals represent two of the sixteen basketball regions. Each black director represents eight regions. Some of the powers of the Board of Control are the general supervision of the Association, employ the

executives, establish tournaments and meets, and decide all questions and perform duties not provided for in the Constitution.

The Commissioner and Assistants are employed by the Board of Control. The duties of the Commissioner are set forth in the Constitution, some being to act as executive officer, prepare and receive reports, interpret the Constitution, enforce penalties provided, conduct meets and tournaments, register officials and conduct rules clinics. The powers of the Commissioner are specific and he is bound by the rules of the Association in that he can not change or set aside any regulation unless it so states in the By-Laws. In interpreting the rules regarding a contestant's eligibility as pertains to age, number of semesters, preceding semester enrollment, current semester grades, scholarship and transfer, he is governed by the rules.

Numerous other items are spelled out as to the number of contests, interstate contests, post-season games, all-star games, practice of sportsmanship, duties of the principal and all the tournament and meet regulations governing all sports. These things are determined by the rules and not by the whim of the Commissioner or Board of Control.

When it is heard that the Commissioner or the Association declared an athlete ineligible it should be understood that it was not a "ruling" but a rule that made him ineligible. And remember the rules are made by the leaders of the educational program for all the member schools. Who else should be better qualified to make the rules and regulations for interscholastic athletics than these people.

Corresponding Dates For Basketball

Article VIII, Section 3-d, of the K.S.A.A.A. Constitution states: "If 'corresponding date' appears in a football or basketball contract, Thanksgiving Day is the date from which the corresponding date shall be determined in football, the date of the district tournament final game in basketball. This rule as it applies to basketball shall go into effect in 1970-71."

Since 1975 is the year that the district tournament moves six days later in month, there is some confusion over the state pertaining to the scheduling of basketball games. The above regulation applies only if the "corresponding date" is to determine the date of the second game of a contract. If specific dates appear on the contract for all games, this regulation would not apply. In 1975 the district tournaments will be played the week of March 3-8.

Attention Track Coaches

The Rules and Regulations Governing Girls and Boys Regional and State Track Meets appear on pages 63-66 of the K.H.S.A.A. booklet. It will be noted that the girls' 50-Yard Dash has been deleted and the Mile Run added. A girl contestant may compete in not more than four events. She

may enter no more than three track events or field events. A boy contestant shall not enter or compete in more than four events in track and/or field. Any number of these may be relays.

The winner and runner-up in each event in a regional meet qualifies for the State Meet, however, only the winner will receive an expense allowance. The Classes A and AA Meets (Girls and Boys) will be held at Western Kentucky University on May 24-25.

In Memoriam

Wilbur Smith

Mr. Wilbur Smith, the State Department's Consultant to the K.H.S.A.A., died last month at the age of 57 of a heart attack. Wilbur was a native of Edmonson County but attended Munfordville High School where he excelled as a basketball and baseball player. He graduated from Western Kentucky University and spent several years teaching and coaching. He served as principal at Breckinridge County and later at Caverna High School.

In 1966 Mr. Smith joined the State Department of Education as general supervisor for instruction. A year later he became director for the Division of Elementary and Secondary Education. In 1972 he became the executive assistant for Special Instructional Services.

His coaching background continued when he moved to Frankfort. During his five years working with the city Department of Recreation, Mr. Smith coached two junior Babe Ruth League state championship baseball teams, one senior Babe Ruth League state championship baseball team and was host coach for a regional junior tournament, one of ten such tournaments ever held in the world.

Mr. Smith is survived by his wife, Betty, and two sons, Charles and Bruce. As one admired said, "Both educationally, and as a sportsman, he will be missed for his spirit and devotion."

KAPOS NEWS

ATTENTION:

Principals and Cheerleader Sponsors!

Is your school a paid-up member of KAPOs? If you are, and your region, your cheerleader squad will be eligible to compete for the top award: Outstanding Cheerleader Squad in the State Tournament.

Included in the packet that will be given (by the tournament finals) will be a letter pertaining to cheerleader squads, and will request that the cheerleaders of his school are being chaperoned by a well-qualified, school-approved adult. The name of the sponsor should be included in this confirmation letter. This letter must be in the hands of the officially appointed KAPOs Board Member prior to the time that your cheerleaders take the floor. There will always be some one there to take your letter and to counsel with you.

REGISTRATION FOR CHEERLEADERS

Please stop by the KAPOs desk in Freedom Hall to:

1. Register your squad
2. Pick up your envelope which contains the KAPOs handbook and other tournament information.

Along with a KAPOs board member there will be high school cheerleaders on hand to assist you. They can be identified by their hostess armbands. Feel free to ask them for help, and in turn they may seek your cheerleaders to be interviewed by one of the radio commentators. In order to make their task easier, we are asking that you register your seat, row and section number. A possible radio interview is often missed because the guides can not locate the desired person in time for the interview.

HOSPITALITY ROOM

May we remind all sponsors and cheerleaders that KAPOs has a Hospitality Room, located in Freedom Hall. Besides the opportunity to socialize with friends, exchange ideas, and perhaps get help with your problems, you can have free re-

freshments. Be sure to register when you come to the Hospitality Room.

STATE-AT-LARGE AND STATE TOURNAMENT CHAMPIONS

Beginning with the District Tournaments, all squads that are paid up members of KAPOs are eligible to compete for the honor of representing that District in their Region. The winner from each Region is eligible to compete for the title of Champion-of-the-State-at-Large.

Judging for the State-at-Large winners will take place at 8:30 a.m. on Friday in Atherton School gymnasium. We are grateful to the administrators for their generosity in opening the doors of their school to us for this competitive event. We trust that they will have no cause to fault our behavior. All cheerleaders and guests will be expected to be remindful that they are guests in the "home" of Atherton School.

It is possible for the winner of the State Tournament to be also the winner of the State-at-Large. The judging instrument to be used for the State-at-Large competition will be identical to the one used for the Region. The instrument to be used for the State Tournament will be enclosed in the packet given out by the K.H.S.A.A. officials to the respective winners of the sixteen regions.

GOVERNOR FORD DECLARES SPORTSMANSHIP WEEK

While every week should be Good Sportsman-ship Week, KAPOs has always tried to put special emphasis on being a good sport at State Tournament time. Being a good sport is part of being a good citizen. KAPOs doesn't believe that good citizens need to be reminded to exemplify good sportsmanship. However, it is especially fitting at tournament time to remind all citizens that it is a privilege to be able to attend the games and that each individual can contribute to the success of the tournament if he will abide by the KAPOs Sportsmanship Creed proclaimed by Governor Ford.

AWARDING OF TROPHIES

State Champion-at-Large: The winner will receive the Ted Sanford trophy while the runner-up will receive the Jane Meyer trophy. Ribbons will be given for honorable mention. These awards will be given during the half-time of the first game Friday afternoon.

State Tournament: winner, first place trophy; runner-up, second place trophy; honorable mention, ribbon. These awards will be given at the close of the final game on Saturday night. All cheerleaders are asked to wear their uniforms and to assemble in the KAPOs Hospitality Room during the half-time of the final game. All Cheerleaders will then proceed to one of the end of the end entrances where the winners will have access to the playing floor.

Sponsors of the competing 16 cheerleader groups are asked to come to the floor with their squads. Besides getting the recognition you so well deserved, it is another way of letting the public know that cheerleading is important enough in the school's curriculum to merit a well-qualified "sponsor-coach-chaperon."

REMINDER

It is time to send in credentials for scholarship candidates. You too, may have a potential

SUMMER CHEERLEADER CLINIC JUNIOR HIGH - SENIOR HIGH CLINIC

(Clinic I, July 7-11) (Clinic II, July 14-18)

Both Clinics will be held on the University of Kentucky campus. The two groups will be housed separately. Classes and lectures will be geared to the interest and ability of the respective groups.

Brochures giving details of the clinic can be obtained at the State Tournament KAPOS desk or by contacting Mrs. Milly Rodes (Transylvania College) or Mrs. Grace Fragstein (Lafayette School) all addressed to University of Kentucky, University Station, Box 650, Lexington, Kentucky 40506.

NOTE TO ALL ADMINISTRATORS

Many of you have responded to our SOS in releasing teaching personnel to assist with the many tasks necessary to keep this organization functioning effectively. Again, we need judges and personnel to help at the tournament. This involves at least 12 to 15 people. It is also back-breaking, tiresome work. However, we have many dedicated women who have indicated a willingness to help share these duties provided they get a release

from their administrators. Therefore, the KAPOS board is seeking your understanding and cooperation should you be asked to release a teacher from her duties to help carry on the work that KAPOS is doing to make cheerleading a worthwhile educational experience in the State of Kentucky.

1974 Annual Meeting

The business meeting of the K.H.S.A.A. will be held on Thursday, April 18, at 2:00 P.M., in the Stouffer's Inn, Louisville.

As provided in Article IX, Section 1, of the K.H.S.A.A. Constitution, the following changes in the Constitution and By-Laws will be acted upon by the Delegate Assembly.

Proposal I

The Board of Control proposes that the Constitution, Article VIII, Section 3 Item d, be changed to read "all contracts between member schools shall contain a specific date for each contest covered in the contract. A contract in which the words 'corresponding date' appears, rather than a specific date, can not be enforced."

Proposal II

The Board of Control proposes that in By-Law 24, Section 5, be added, "when a contest is cancelled for any reason stated in the contract the Board of Control shall determine if either school is liable in cases where the two schools can not reach a satisfactory agreement even though the forfeit fee is not due."

Proposal III

The Board of Control proposes that By-Law 38 be changed to read, "No member school enrolling only one sex shall have a vote on any phase of the Association's work not involving or pertaining to that school. Schools enrolling only boys shall not vote on matters pertaining to girls' athletics only and vice-versa."

Proposal IV

Prin. Albert Wall (Frankfort H.S.) and the Board of Control propose that By-Law 19 be changed to read, "All contests involving member schools shall be governed by National Federation of State High School Associations' rules if an official set is issued for that sport."

Proposal V

Rev. Robert H. Nieberding, Principal (Lexington Catholic H.S.), proposes that By-Law 5 be changed so that "six" in the second sentence be replaced with "nine."

Proposal VI

Prin. Dawson Orman (Atherton H.S.) and the six other principals of the Louisville school system propose a new By-Law to read: "Any officials, basketball and/or football, who calls a technical foul (basketball) or unsportsmanlike conduct (football) on a coach or on the bench as a result of the coach's action, will, upon request from the principal of the offending schools, supply a written account of events leading to and causing the foul or penalty to be called."

Proposal VII

Prin. Leo Brewsaugh (Bryan Station H.S.), proposes that By-Law 8 be changed by eliminating "gymnastics," and in By-Law 27 consider the season for gymnastics to begin on the opening day of school and end with the State Championship Meet.

Proposal VIII

Prin. J. Thomas Creamer (Maysville H.S.)

and all principals of the 39th District propose that By-Law 21 be amended by adding: "In any two county, conference, or invitational tournaments, the games played by a member school shall count as one game each for a school that maintains a football team."

Proposal IX

Prin. J. Thomas Creamer (Maysville H.S.) and principals of the 57th District propose that the last sentence be changed to read: "In any two county, conference or invitational tournaments, the games played by a member school shall count as only one game."

Proposal X

Prin. Claude Purvis (Pleasure Ridge Park H.S.) proposes that By-Law 4 be changed so that the fall sports season shall be considered to begin on August 1, rather than September 1.

The Way It Is

(The following is a reprint from the Lexington Herald-Leader Sport Section of March 17, 1974. The column is titled "This Sporting Life" and is written by Rick Bailey.)

LOUISVILLE, Ky.—The State Tournament, which just ended for the 57th time, meant many things to many people.

For some, it has been the drama of a team struggling to win four games and earn the immortality rewarded the champion.

For some, it has been the pleasure of watching remarkable individual performances although there was nothing to compare to the show provided by Kelly Coleman almost two decades ago. King Kelly's 68 points in one game is legend.

But for all dedicated fans, the State Tournament has been a four-day, basketball-filled week-end bordering on total saturation of the sport.

It has been thrilling to see the hustle and crowd-pleasing play of "cinderella" teams like Greenup County and Warren East.

It has been watching a small mountain team from Pikeville stay close to powerful Male before losing to the metropolitan school.

It has been students trying to take advantage of all the activities planned by tournament officials.

Brief Interlude

For these students, it has been a brief interlude of a tournament session here or there but mainly it has been a chance to escape classroom routine. And meet new friends of the opposite sex.

Basically, though, the State Tournament has been a "social" period and a time to relax and enjoy a few days in the "big town." To see old friends again, swap lies and raise a little "cain."

There are people working though.

The State Tournament tries the patience of any newspaperman who has much to do and little

Minutes of Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at Stouffer's Inn, Louisville, on Friday morning, March 15, 1974. The meeting was called to order by President Frank Simpson at 9:00, with all Board members, Commissioner J. B. Mansfield and Assistant Commissioner Tom Mills present. Mr. Conley Manning was present representing the State Department of Education. The invocation was given by J. C. Cantrell.

Roy Winchester moved, seconded by Howard Crittenden, that the reading of the minutes of the previous meeting be waived since the members of the Board had received copies of these minutes. The motion was carried unanimously.

The Commissioner reported on the results of the recent balloting for Board membership for Section 3 and 4. In Section 3 the votes were as follows: Ray Story, Principal of North Hardin High School, 22; T. G. Florence, Principal of Nelson County High School, 13. In Section 4, George E. Sauer, Principal of Manual High School received 21 votes and James O. Gatewood, Principal of Westport High School received 18.

Mr. Paul Young, Mr. Gene Minton and Mr. Andy Hopkins came before the Board to express their opposition to changing soccer from a fall to a spring sport as recommended by several participating schools. Following their presentation President Simpson thanked them for their interest and assured them that the Board would consider their request in making a final decision. Following their departure, the Commissioner was instructed by the Board to make a full study of the situation and present the findings at the next meeting of the Board.

There was a discussion of new proposals to be submitted by the Board at the forthcoming 1974 Delegate Assembly. Roy Winchester moved, seconded by Jack Fultz, that the following proposals be submitted to the Assembly:

Proposal I—that Constitution, Article VIII, Section 3, Item d, be changed to read; "All contracts between member schools shall contain a specific date for each contest covered in the contract. A contract in which the words 'corresponding date' appears rather than a specific date, can not be enforced."

Proposal II—that By-Law 24, Section 5, be added, "When a contest is cancelled for any reason stated in the contract the Board of Control shall determine if either school is liable in cases where the two schools can not reach a satisfactory agreement even though the forfeit fee is not due."

Proposal III—that By-Law 38 be changed to read "No member school enrolling only one sex shall have a vote on any phase of the Association's work not involving or pertaining to that school. Schools enrolling only boys shall not vote on matters pertaining to girls' athletics only and vice-versa."

The motion concerning the proposals was carried unanimously.

Commissioner Mansfield reported that it was the opinion of Attorney Ray Corns, who is Legal Counselor for the State Department of Education, and Attorney Calvert Roszell, who is the lawyer for the K.H.S.A.A., that the Board proposal passed in the January meeting would be in violation of the Federal Court Decree of 1971. The proposal was to be presented to the Delegate Assembly for action and would have increased the number of Board of Control members from

In Memoriam

Earl L. Collins

Earl L. Collins, 65, retired high school Athletic coach, died March 4, 1974. He was affectionately known as "Pop" Collins by all his students and players. After his retirement in 1972, he resided at Scotts Terry Road, Versailles, Kentucky. Prior to his retirement he had taught and coached at Ghent, Eminence, Hazard, Versailles and Fern Creek high schools.

"Pop" graduated from Georgetown College where he was awarded the Charles Dudley Athletic Cup. He was a member of Pi Kappa Alpha fraternity and president of G Men's Club.

The Coach was life member of the Kentucky High School Coaches Association, National Education Association, Kentucky Education Association, Kentucky Retired Teachers Association, Rotary International and the Versailles Baptist Church.

Survivors include his wife, Mrs. Margaret Baker Collins; one daughter, Mrs. Mary McGohon, Carmel, Indiana; one son, Bill Louis Collins, Versailles; and three sisters.

ten to twelve. The Decree says the Board shall be composed of ten members, etc. Based upon this report, J. C. Cantrell moved that the motion adopted at the January meeting be rescinded. The motion was seconded by Arthur Hawkins and all members voted aye.

The Board then considered possible changes in the basketball districts for 1974-75. Each Board member explained how recent consolidation had affected districts in their section and submitted recommendations for re-alignment where necessary. It was decided that the Principal of each school involved would be advised of the proposed changes so that he may appear before the Board to express his view. The changes will be finalized of the April meeting of the Board of Control after all parties have been heard.

The Way It Is

(Continued from Page One)

time. A game may go into overtime but the deadline seldom knows an extra period.

For the numerous broadcasters, it is a time when even laryngitis would be almost welcome and when the only respite of the flowing words comes between sessions after Freedom Hall is briefly closed.

The State Tournament is also a businesslike, serious talent hunt by the college coaches who, of necessity, are looking to the future and hoping to find the answers in a high school senior.

The State is a time of pleasure, too. And there are plenty of places to find it.

Tears Of Joy

The State Tournament touched all who attended. While the mass of some 17,000 (give or take a couple) tried to comprehend Male's upset of Bryan Station Friday night, a group of cheerleaders were in tears (of joy) at center court. The "yell corps" from Louisville Butler had been selected the best from 16 region representatives. And some measure of consolation went to the Defenders when their girls were named best of the 16 cheerleading teams competing in the tournament.

The State finally reached its apex as the championship game neared.

The outcome already may have been assured after the past performance chart has been studied. But the drama's final act must be played.

And soon a champion was crowned and lasting fame has descended on a Kentucky high school because, one realizes, that's the way it is here.

No matter what ill fortune may befall a champion in the future, the days of winning the State Tournament are never forgotten. That's how it is here.

Emotions Cooled

Finally, it is now Sunday morning and the vast exodus has begun. Emotions have cooled and hangovers hopefully slept off. Fifty-five miles an hour may prolong the trip home but so it goes.

The mass cleanup has started with hopes the damage is not too expensive.

"Wait 'Til Next Year" now has a special meaning for anyone uttering the phrase whether it's a losing coach with most of his team back or the average fan already making plans to return for another March holiday.

Whatever the State Tournament means to any Kentuckian, one should take time to enjoy it because just about everybody else is.

That's how it is here.

Newly Elected Board Members

Ray Story

George E. Sauer, Jr.

Prin. Ray Story of North Hardin High School and Prin. George Sauer of duPont Manual High School will represent Sections 3 and 4 respectively on the Board of Control for a four year period beginning July 1, 1974.

Ray Story is a native of Lincoln County where he attended Memorial High School and was a varsity player in basketball and baseball. After graduation he earned a B.S. Degree at Campbellsville, a M.A. Degree and a Rank I from Western Kentucky University.

Mr. Story began teaching in the Vine Grove Elementary School in 1960 then moved to the North Hardin High School in 1963. He became Assistant Principal in 1965, assuming his present post in 1967.

Mr. Story is active in civic, church and professional activities. He has served as chairman of the Planning and Zoning Commission, charter president of the Optomist Club, president of the 4th District Principals Association and is on the Board of Directors of the K.A.S.S.P. serving as membership chairman.

He is married to Sue Cecil of Stephensburg, who is a teacher. They have two children, Mark and Tim, and are members of the Vine Grove Baptist Church.

George E. Sauer, Jr., a native of Louisville, attended Franklin Elementary, Barret Junior High School and graduated from Louisville Male High School in 1950. Four years later he was awarded a B.A. Degree from Western Kentucky University and a M.A. Degree in 1961 and a Rank I in 1967.

At Male Mr. Sauer was president of the Senior Class, Co-Captain of the football team in 1949 and received an athletic scholarship to Western where he was a regular guard for four years.

Mr. Sauer had a brilliant military career being a Distinguished Military Graduate from Western as a Cadet Colonel. Receiving a 2nd Lt. Commission in 1954, he went through Officer's Training at Fort Benning, Georgia, and then Ranger School and Heavy Mortar School. His assignments in service included; Infantry Platoon Leader, Company Commander, Heavy Mortar Company and Intelligence Officer for Battle Group. He was discharged as a Captain after

serving with the 10th and 3rd Infantry Divisions in Germany.

Mr. Sauer has been in the Louisville School System since 1958 as a teacher and Assistant Principal at Shawnee High School where he was named principal in 1969. He held this post until 1971 when he assumed his present position.

In addition to the educational activities, Mr. Sauer was assistant football and head baseball coach at Shawnee from 1958 until he became head football coach in 1960. He was named Football Coach of the Year in 1965, his last year.

Mr. Sauer is married to Charlene Sabens of Glasgow. They have two children, Jeffrey age 18, and Jennie age 13. They are members of the Jeffersonton Christian Church where he is an Elder and Vice-Chairman of the Church Board.

REPORTS PAST DUE

1. School's Report on Basketball Officials
2. Official's Report on Schools (Basketball)

Attention, Officials!

The registration period for K.H.S.A.A. officials is and has been for several years the same as the Association fiscal year, namely July-June. Advance applications for registration in football and basketball are not now being accepted. Previously registered officials in these sports will receive their renewal application cards at some time during the summer months after the new National Federation publications have been received in the State Office. Previously registered officials should not send in their renewal fees until they receive these cards.

MINUTES OF BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at Stouffer's Inn, Louisville, on Thursday morning, April 18, 1974. The meeting was called to order by President Frank Simpson at 9:00 A.M., with Board members J. C. Cantrell, J. Thomas Creamer, Howard R. Crittenden, Andrew J. Fultz, Arthur Hawkins, Louie Martin, James R. Williams and Roy L. Winchester; Commissioner J. B. Mansfield and Assistant Commissioners Tom Mills, Billy V. Wise and Louis Stout present. Mr. Conley Manning was present representing the State Department of Education. The invocation was given by J. C. Cantrell.

Roy Winchester moved, seconded by Jack Fultz, that the reading of the minutes of the previous meeting be waived since the members of the Board had received copies of these minutes in the mail. The motion carried unanimously.

Assistant Commissioner Tom Mills reported an increase in attendance at the 1974 State Basketball Tournament. He reported that the attend-

ance for the eight sessions was 124,954 for an average of 15,620 per session. This compares to an attendance of 120,525 for the 1973 tournament. The total ticket sales for 1974 was \$286,142.00. The estimated tournament expenses are approximately \$85,000.00. A complete record of all receipts and disbursements will appear in the annual audit. Tom Creamer moved, seconded by Roy Winchester, that the State Tournament report be accepted as presented. The motion carried unanimously.

Mr. Jim Gatewood, Principal of Westport High School, came before the Board requesting that Soccer be changed from a "Fall" to a "Spring" sport. He stated that he had polled the Principals of all Soccer playing schools and found that eighteen favored the change, while two were opposed and two were undecided. He requested that the Board consider approving the change on a one year trial basis. President Simpson assured Mr. Gatewood that his request would be given full consideration. Mr. Gatewood thanked the Board for considering his request and departed. Roy Winchester then made the motion, seconded by J. C. Cantrell, that Soccer be changed to a Spring sport on a trial basis of one year. All members voted aye.

Upon the recommendation of Commissioner Mansfield, the Board of Control adopted the following changes or additions in the rules and regulations governing basketball tournaments of the Kentucky High School Athletic Association:

I. Dates of Tournaments

The Board of Control of the Kentucky High School Athletic Association shall directly or through its Commissioner arrange for a girls' and boys' district basketball tournament during the first week in March; and regional tournaments during the second week. The state tournaments will be held, one each week, during the third and fourth weeks.

VI. B—State Tournament

1. The following expense allowances will apply if the receipts from the tournament make them justifiable, otherwise, the allowance will be determined by the Board of Control:

XI. Number of Players

Each team shall be limited at each tournament game to twelve players from among those whose names appear on the final eligibility lists, and these players must be designated for each game of the tournament. No others may be in uniform.

XIV. Dimensions of Tournament Courts

The dimensions of the court on which the games will be played will be determined by the size of the court at the tournament site.

Superintendent Roy James, Principal Johnny Vincent and Athletic Director Jimmy Leo Stice of Edmonson County came before the Board requesting that Edmonson County High School be moved from Region 3, District 12, to Region 4, District 15. Mr. James explained that the move would cut travel distance and expense for the team and fans. Following several questions by members of the Board, President Simpson thanked Mr. James for coming before the Board and assured him that sincere consideration would be given to his request and that he would be informed of the final decision.

The Commissioner then reported the need for basketball redistricting in certain areas. After a discussion concerning redistricting requests, Louie Martin moved that Whitesville Trinity be moved from the ninth District to the eleventh District; that Ohio County and Fordsville be moved from the 11th District to the 12th District; that Edmonson County be moved from the Third Region, District 12, to the Fourth Region, District 15; and that Russell County be moved from District 47 to District 46. The motion was seconded by Arthur Hawkins and all members voted aye.

Considerable discussion was then given to the fact that four basketball districts were represented by only three teams. Howard Crittenden stated that since it is an ever increasing problem, due to consolidation, to maintain four districts with a minimum of four teams in the sixteen regions, he would make the motion that a district may be left with three teams where necessary but that other teams could be moved into the district upon request or when the Board of Control deemed it justifiable. Louie Martin seconded the motion and it passed unanimously.

To prohibit one of the three teams in a district drawing into the regional tournament and receiving a trophy without winning a game, the following plan for a three team district was adopted: In a district having three teams (A, B, C) the team drawing the bye (C) will play the loser of the game between the other two teams. If "C" loses this game the tournament is over with the other two teams advancing to the regional. If "C" defeats the loser of the first game then it will play the winner of the first game in the final game of the tournament.

Mr. Mansfield presented a letter from Mr. Buford T. Horton, Superintendent of the Estill County Schools, requesting that Estill County be transferred from basketball Region 11, District 44, to Region 10, District 40. Following a lengthy discussion, the Board failed to take action upon this request.

The Board failed to take the necessary action to restore eligibility in the following cases:

1. Janet Hubbard Salmons, a student at Knox Central High School, who is ineligible under By-Law 5, Section 4, Preceding Semester Enrollment.
2. James Stidham, a student at Powell County High School, who is ineligible under By-Law 5, Section 1, Number of Semesters.
3. Jim Ed Livesay, a student at Lloyd Memorial High School, who is ineligible under By-Law 6, Section 1, Transfer Rule.
4. Phillip Wells, a student at Johnson Central High School, who is ineligible under By-Law 4, Age Limit.

On the motion of Jack Fultz, seconded by J. C. Cantrell, the Board of Control voted unanimously to sanction a basketball game between the National Russian Juniors and the Herald Leader All-Stars. The game will be played on April 29, 1974. The Board emphasized that such action did not in any way represent a change in policy or philosophy regarding post-season and/or all-star games. Due to the nature of the game, and since it is to be held only one time, it was given special consideration.

Mr. Mansfield presented correspondence regarding a request for an appeal of the penalty ruling of the Commissioner in the case of C. V. Preston, a student at Johnson Central High

School. After studying the correspondence, Louie Martin moved, seconded by Roy Winchester, that the ruling of the Commissioner stand and if anything, the penalty should have been more severe. The motion passed unanimously.

Mr. Mansfield presented a letter received from Mrs. Blanche Mahoney, Chief Clerk of the Senate, which contained Senate Resolution Number 65. The Resolution requested that the Board of Control consider setting up three classes in basketball similar to that system of classification presently established for secondary football programs. This Resolution was adopted by the Senate on March 18, 1974. A discussion followed, with each Board member expressing the attitude of school personnel in his respective section toward classification. Results of various surveys made by member schools were presented. President Simpson appointed Tom Creamer, Howard Crittenden and J. C. Cantrell to serve on a committee to study classification in basketball. He stated that he would appoint other persons to the committee who are both in favor of and opposed to classification.

Mr. Lee Williams, Executive Secretary, Basketball Hall of Fame, requested by letter that the Kentucky High School Athletic Association contribute annually a \$100.00 Life Membership fee to the Basketball Hall of Fame. No action was taken on this request.

Assistant Commissioner Billy V. Wise presented suggestions for Board consideration concerning the assignment of officials in the various sports for the 1974-75 school year. Each member was asked to discuss these with his local Policy Committee prior to the next Board meeting.

Frank Simpson and W. P. Wheeler were named delegate and alternate, respectively, to the forthcoming annual meeting of the National Federation.

Roy Winchester made the motion, seconded by Jack Fultz, that all bills of the Association beginning March 1, 1974, and ending March 31, 1974, be allowed. The motion was carried unanimously.

The next meeting of the Board of Control was scheduled for Wednesday, June 5, 1974, at 10:00 A.M. in Morehead.

There being no further business, the meeting adjourned.

Kentucky's Game Guy

Kim Miller

The Kentucky High School Athletic Association gave its highest award to an individual at the Delegate Assembly meeting on April 18. President Frank Simpson presented Kim Miller of the Louisville Central High School the 1974 Game Guy Award. The award is given to the person overcoming the greatest handicap to participate in the sports' program.

In nominating Kim Miller for the award, Central's Principal, Joseph McPherson, said: "I would like to recommend Kim Miller, a senior at Central High School for the 1974 'Game Guy' award. Kim was burned when he was four years old on the right side of his body, when his pajamas caught fire. Kim stayed in the hospital for one year, with third degree burns on his right leg, chest and arm. He is not able to extend his arm completely as a result of the burns and skin grafts.

"Kim is a natural athlete as has been shown in his three years at Central. He has been a member of the varsity basketball team, where he has been a starter on occasions. He is one of our best pitchers on the baseball team, a defensive halfback on the football team and has represented the school in the district tennis tournament. On another occasion, he ran the half mile, in a dual meet with Manual High School, winning the event in 2:12.0.

"Kim has one of the best attitudes of any athlete I have come in contact with. This was displayed even more this year when he had to sit on the bench while underclassmen were starting and playing more, on the basketball team, than the seniors."

Approved and Certified Baseball Officials

Minutes of Annual Meeting

The fifty-seventh annual meeting of the Kentucky High School Athletic Association was held at Stouffers Inn, Louisville, on Thursday afternoon, April 18, 1974.

President Frank Simpson called the meeting to order at 2:00 p.m. and asked Assistant Commissioner Tom Mills to call the roll. Fifty-nine regular elected delegates or alternates answered the roll call. Patrick Crawford moved, seconded

by John V. Reschar, Sr. that the minutes of the 1973 Assembly, which had been sent previously to all member schools, be approved without being read. The motion was carried unanimously.

Commissioner Mansfield then gave a report on the activities of the Association during the 1973-74 school year. Mr. Cleo Pursiful moved, seconded by Andrew Renick that the Commissioners report be accepted. The motion carried. (Printed elsewhere in this issue).

President Simpson introduced to the Assembly Ray Story, recently elected to membership on the Board of Control from Section 3 and George E. Sauer who was elected to represent Section 4. Their terms are to begin on July 1, 1974.

President Simpson stated that consideration of proposals was the next order of business. J. M. Burkich moved, seconded by Robert Campbell, that Proposal I, providing that the Constitution, Article III, Section 2, Item d, be changed to read "All contracts between member schools shall contain a specific date for each contest covered in the contract. A contract in which the words 'corresponding date' appears, rather than a specific date, can not be enforced", be accepted. The motion carried.

Howard Crittenden moved, seconded by R. Brooks Bates, that Proposal II, providing that in By-Law 24, Section 5, be added, "when a contest is cancelled for any reason stated in the contract the Board of Control shall determine if either school is liable in cases where the two schools can not reach a satisfactory agreement even though the forfeit fee is not due", be adopted. The motion was carried.

Paul W. Trimble moved, seconded by J. M. Burkich, that Proposal III be adopted. Proposal III provided that By-Law 38 be changed to read, "No member school enrolling only one sex shall have a vote on any phase of the Association's work not involving or pertaining to that school. Schools enrolling only boys shall not vote on matters pertaining to girls' athletics only and vice-versa." The motion was carried.

John V. Reschar, Sr. moved, seconded by Irvin Brooks, that Proposal IV be adopted. Proposal IV provided that By-Law 19 be changed to read, "All contests involving member schools shall be governed by National Federation of State High School Associations' rules if an official set is issued for that sport." The motion carried.

Andrew Renick moved, seconded by J. M. Burkich that Proposal V be tabled. Proposal V provided that By-Law 5 be changed so that "six" in the second sentence be replaced with "nine." The motion carried.

Patrick Crawford moved, seconded by Joseph McPherson, that Proposal VI be adopted. Proposal VI provided for a new By-Law to read: "Any official, basketball and/or football, who calls a technical foul (basketball) or unsportsmanlike conduct (football), on a coach or on the bench as a result of the coach's action, will, upon request from the principal of the offending schools, supply a written account of events leading to and causing the foul or penalty to be called." The motion carried.

John V. Reschar, Sr. moved, seconded by John H. Branson, that Proposal VII be tabled. This proposal provided that By-Law 8 be changed by eliminating "gymnastics," and in By-Law 27 consider the season for gymnastics to begin on the opening day of school and end with the State Championship Meet. The motion carried.

TED SANFORD AWARD

Ronnie Watt

To foster the ideals exemplified by Ted Sanford, former commissioner of the Kentucky High School Athletic Association, the Courier-Journal and Times inaugurated the Ted Sanford Award to be given annually to a player in the Kentucky High School State Basketball Tournament who excels in four areas; basketball ability, academic accomplishments, sportsmanship and citizenship.

Commissioner J. B. Mansfield presented the second award to Ronnie Watt, a senior at Warren East High School. Donnie was selected by a committee composed of school personnel from throughout the state.

Robert D. Campbell moved, seconded by Winston Adkins, that Proposal VIII be adopted. Proposal VIII provided that By-Law 21 be amended by adding: "In any two county, conference, or invitational tournaments, the games played by a member school shall count as one game each for a school that maintains a football team."

Following a discussion of Proposal VIII, Pete Grigsby made a motion to amend this proposal to read "In any two county, conference, or invitational tournaments, the games played shall count as one game for each tournament played for member schools. J. M. Burkich seconded the motion which passed by a vote of 39 in favor and 14 opposed. The proposal then passed as amended by a vote of 40 to 14.

Proposal IX was withdrawn by J. Thomas Creamer. Proposal IX stated that the last sentence in By-Law 21 be changed to read: "In any two county, conference or invitational tournaments, the games played by a member school shall count as only one game."

Joe Ohr moved, seconded by Bennie Keen, that Proposal X be adopted. Proposal X provides that By-Law 4 be changed so that the fall sports season shall be considered to begin on August 1, rather than September 1.

Principal J. M. Burkich made the motion that Proposal X be amended to read August 15 instead of August 1. The motion was seconded by Pete Grigsby. The motion to amend failed. The

original proposal then failed by a vote of 22 for and 32 against.

President Simpson recognized Joseph McPherson who spoke briefly on scheduling problems encountered by several of the Louisville schools.

There being no further business, the meeting adjourned by President Simpson.

1973-74 Annual Report

(Presented to Delegate Assembly)

Three hundred twenty-nine schools joined the Association for the 1973-74 school year. Twelve of these schools enroll girls only. The other 317 entered the basketball tournament series. The membership compares with 334 for 1972-73 and with 344 for 1971-72.

Financial reports filed by the sixteen regional basketball tournament managers show total receipts of \$288,401.44 with attendance of 196,320. The sixty-four districts grossed \$395,693.38 with an attendance of 302,864.

Attendance at the State Tournament for the eight sessions was 124,954, an average of 15,620 per session as compared to 120,525 last year with an average of 15,066. This represents an increase of 4,400 people approximately. The gross receipts were about \$286,000.00 which was a \$4,000.00 increase over last year. Ticket prices were the same each year. Some bills are still outstanding. A complete report of all receipts and expenditures will appear with the audit report in the August issue of the "Athlete."

Schools with football teams numbered 199. The Classes A and AA Football Championship games were played at Eastern Kentucky University with approximately 5,000 in attendance and gross receipts of \$10,176.50. The Class AAA final drew 9,265 people and grossed \$19,697.50. Inclement weather at both sites probably lowered the number in attendance. Attendance for regional and semi-final games continues to increase.

In Cross Country 142 schools entered teams in the twenty regional meets. The championship meet for each of the three classes was held in Louisville at the Collings Estate.

In Wrestling 62 schools entered eight regional tournaments with the winner and runner-up in each weight class advancing to the State. The finals were held at Atherton High School. Receipts at the regional level bore the expense of the meet in most cases. Gross receipts for the State Tournament was \$5,131.00 with paid attendance of 3,114.

In Classes AA and AAA Swimming 41 girls teams and 43 boys teams entered the State Meet. The AAA was held at the Plantation Club in Louisville on February 22-23 and the Class AA at Eastern Kentucky University on March 22-23.

In Gymnastics there were not enough schools with boys' teams for regional meets, there were two for the girls. The finals were held at the Seaton Recreation Center, University of Kentucky.

In Soccer 16 schools competed for the championship during the week of November 5-10, this being the second year for the sport. Attendance increased somewhat over last year. The tournament was held at different high schools in Jefferson County.

In the other sports there are as follows: 291 baseball teams are to compete in 59 districts and eight regions; 186 girls' track teams and 222 boys' teams will compete in twenty regions each; 69 girls' golf teams and 191 boys' teams will meet in the nineteen regions to qualify for the State tournaments; 96 girls' tennis teams and 108 boys' teams to enter seventeen regionals to try for the State; 17 schools will enter the State Rifle Tournament. A boys and girls State Tournament in Fencing was sponsored for the first time this year.

Registering with the Officials' Division this year were 1,474 basketball officials, 799 football, 530 baseball and 56 wrestling. Also, registering for the first time this year were 58 officials for girls basketball. Thirteen football rules clinics for coaches and officials were held by Assistant Commissioner Billy V. Wise. One hundred seventy-nine officials took the National Federation examination in football. Of this number 45 were added to the "Certified" list and 85 to the "Approved" list. Mr. Wise conducted 17 basketball rules clinics. Two hundred twenty-two officials took the test for the higher ratings 65 becoming "Certified" and 134 "Approved."

Assistant Commissioner Louis Stout conducted an umpires' school for 20 area baseball clinic directors. These men will assist in assigning umpires for the season play. Mr. Stout also conducted 14 statewide clinics for coaches and umpires. In 1973 sixty-one baseball officials took the test for higher ratings, with seven being added to the "Certified" list and 39 to the "Approved."

The Board of Control, on recommendation of the State Girls' Basketball Committee, has adopted rules and regulations for this sport. All eligibility rules will apply to both girls and boys unless it is so noted. The seasons will be the same. Game limits are identical. The number of districts and regions, provided there are enough teams, will be the same. The district and regional tournaments will be held the same week as the boys. The schools involved will determine if they are to be run concurrently or on different dates at different sites. The two state tournaments, one girls and one boys, will be held the third and fourth weeks in March. Sites to be determined by the Board of Control.

The Association is indebted to the several policy boards across the state who select the regional assigning secretaries. There are 12 in football and 14 in basketball. The secretaries are hereby commended for the capable manner in which they have handled the recruiting, training and assigning of officials.

The Commissioner and the Assistants are most grateful for the cooperation and assistance given them by the principals and their superintendents, the members of the Board, athletic directors and coaches. With sincere appreciation this report is respectfully submitted.

Gentlemen:

I have made an examination of the records of the Kentucky High School Coaches Association account in the Union Bank & Trust Company, Irvine, Kentucky, covering the period March 1, 1973, to March 28, 1974, as requested by Mr. Joe Ohr, Secretary of the Association.

Receipts and disbursements have been classified and are shown on the attached schedule of income and expenses. All receipts have been traced as deposits into the Bank and all disbursements have been substantiated by canceled checks.

There are two Savings Accounts under Kentucky High School Coaches Association heading totaling \$15,000.00 and these are shown on the schedule of Savings Accounts of the East-West All Star Accounts.

The bank balance of \$5,503.21 has been verified as being on deposit in The Union Bank & Trust Company, Irvine, Kentucky, as of March 28, 1974.

In my opinion, this letter and the attached schedule properly reflects the status of this account for the period stated.

Yours very truly,
Bill Sexton — AccountantKENTUCKY HIGH SCHOOL COACHES ASSOCIATION

Gentlemen:

At the request of Mr. Joe Ohr, your Secretary, I have examined the records of your ALL-STAR account, covering the period February 28, 1973 to March 29, 1974.

I have classified all receipts and disbursements and these are shown on the attached schedule of receipts and disbursements. The bank balance of \$5,756.18 has been verified as being on deposit in the First Security National Bank & Trust Company, Lexington, Kentucky, as of March 29, 1974.

Receipts have been traced as deposits into the bank and all disbursements have been substantiated by canceled checks.

You will also find attached to this report a schedule of all Savings Accounts showing the financial firm and the balance in each account. This list is self-explanatory and the balances were all verified by telephone with each firm on April 12, 1974.

I believe that this letter and the attached schedules properly reflect the transactions and status of this account for the period shown.

Respectfully submitted,

TO: PRINCIPLES OF MEMBER SCHOOLS OF K.H.S.A.A.

SUBJECT: CATASTROPHE INSURANCE POLICY

The following information about the catastrophe insurance coverage purchased by K.H.S.A.A. to cover athletes of member schools is published for your consideration. The coverage will commence June 15, 1974, for the school year 1974-75, and will be identical with coverage for the current year.

PERSONS COVERED: Student athletes on teams of member schools of K.H.S.A.A. will be covered while practicing for or competing in K.H.S.A.A. approved inter-school athletic events or while traveling in a group directly to or from practice session or scheduled athletic event for the purpose of participating in such session or event.

ACCIDENT MEDICAL EXPENSE BENEFIT: Expenses incurred for treatment of a covered injury including necessary services of a licensed physician, hospital expenses subject to limit for daily room and board and general nursing care of normal charge for semi-private room, private duty nursing care by R.N. on order of physician and physio-therapy performed while hospital confined shall be covered within fifty-two (52) weeks following the accident causing injury provided treatment for such injury commences within thirty (30) days of the date of covered accident.

The first \$1000.00 of covered expenses, or the amount of such expenses as are covered under all other collectible insurance of the policyholder and insured, whichever figure is greatest, will be deducted from any claim paid hereunder. Subject to this provision, the Company will pay up to a maximum of \$10,000.00 except that when payment under the plan exceeds \$5000.00, further payment shall be 75% of the eligible charges.

EXCLUSIONS: No payment shall be made for hernia, appendicitis, cardiac disease, diabetes, detached retina, osteomyelitis, malignancy or Osgood-Schlatters disease, or aggravation of a pre-existing condition, or for injuries connected with fighting or brawling.

ADMINISTRATION: The plan is administered by The Kingden Company. You may secure complete information about the coverage from the company.
